

IT SEEMS THAT even in a pleasant town like St. Albert someone will try and spoil town facilities. In the St. Albert Lions Park one week ago vandals forced their way into the concession stand damaging a riding mower, fixtures and bulbs. In the washrooms they destroyed a water heater and sprayed tar throughout the buildings. Damage to the facility is estimated at \$1,500.

Young vandals apprehended

The RCMP in St. Albert have apprehended five juveniles who will be charged with breaking and entering the maintenance shop of the St. Albert Protestant Separate School District No. 6. The charges will be heard in juvenile court in the near future and the RCMP are unable to release the names of the youths at this time.

The maintenance shop has been the youths' target for theft and wanton damage three times in recent months. The first break-in occurred some time between the hours of 9 p.m. on September 2, 1974 and 9 a.m. on September 3, 1974. A number of wrenches were stolen and a tractor, a rider-type lawnmower and a radio were vandalized. The tractor suffered the following damage: all windows, headlights, gauges, spark plugs and the distributor were smashed or broken; the steering bolt and pins and the hydraulic lift for the blade were removed; the rubber hose was cut and the anti-freeze drained; the oil dipstick was removed and the gas tank and crank case were filled with sand. The lawnmower re-

ceived similar treatment and the radio was completely smashed. The district office estimate the damage to be in the region of \$350 to \$400 plus labour charges.

The second break-in occurred between the hours of 6 p.m. on September 24 and 8 a.m. September 25. A chain saw valued at \$160 was stolen.

The next incident occurred between the hours of 5 p.m. October 3 and 1 p.m. October 4. On this occa-

sion over 70 dollars worth of tools were stolen and vapour light bulbs to the value of \$40 were smashed.

School boards everywhere have become more concerned as the number of senseless crimes against property perpetrated by youthful vandals increases. District No. 6 is no exception and the board are giving careful consideration as to what action and preventive measures can be taken to combat crimes of this nature.

The St. Albert Branch of the Royal Canadian Legion request the support of all town residents of their annual Poppy Day campaign, proceeds of which go to the aid of St. Albert veterans, their wives and children. The campaign will take the form of a blitz on Saturday, November 2.

They have enlisted the support of the St. Albert Air Cadet Squadron and members of the Army cadets as volunteer canvassers for house to house calls, and call on local business firms. The members of the Auxil-

iary will be visiting the schools with supplies of poppies, in the hope that the students will wear a poppy and pause to consider the sacrifices made by Canadian soldiers, sailors and airmen in the cause of the peace and freedom they enjoy.

Purposes and objects of the Legion which are included in the Proclamation for Remembrance Week are the following:

- *to perpetuate the memory and deeds of the fallen and of those who die in the

future;

- *to promote and care for memorials to their valour and sacrifice . . . to keep an annual memorial day, to preserve the records and memories of their service and to see that such services shall not be forgotten by the nation;

- *to educate public opinion regarding national duties to the dead;

- *to foster loyalty among the public and education in the principles of patriotism duty and unstinted public service;

\$1500 damage to Lion's Park facilities

About \$1,500 damage was done in the St. Albert Lion's Park last week.

Badly damaged were bulbs, fixtures and a riding mower in the concession stand. In the washrooms a toilet bowl and crockery were broken as well as a water heater. To cap it all tar was also sprayed all over by the vandals.

Public Relations Officer

for the Lions, Murray Keyes told the Gazette he is sure the damage was done by youngsters.

Park Chairman of the St. Albert Lions Club, George Simpson said that the Lions have tried hard to prevent this kind of damage to park property and feel that publicity is the last resort. He said that if things got

much worse - "we may have to clear out and board up."

He also said that much damage to park facilities had occurred over the past two years. Trying to catch the culprits was almost impossible he said as it appears they even have a warning system.

"It's just out and out vandalism," he said.

Alternate proposed for Police Station Site

A memorandum from Mr. R. L. Byron, town administrator, preceded discussion on the subject of the location of the Police Facilities which had been approved for the Mission/Perron site, at the special meeting of Council on Monday, October 28. The memorandum posed the possibility of utilizing alternatives for the site of the Police building.

The alternative proposed in the Memorandum from Mr. Byron was a site located on Tache Street, across from the existing Legion Hall. Also outlined in the memorandum from the administrator were two points which effect the choice of site; the first being that the previously proposed site is within the immediate area

of the Sturgeon River which limits the degree of development of the river frontage at this location, and the second being that the alternate site is nearer to the site preferred by the Police Commission. The site could also be exploited by the Sturgeon Health Unit who are looking for land for their offices. The point of the memorandum is that by locating both the Police facilities and the Health Unit facilities on the large piece of property would be maximizing the use of the site. The memorandum called for approval to investigate the possibility of the project.

Mr. Byron briefed Council on the matter stating that the question had arisen as to whether the Mission/

Perron site was the best alternative for the Police building. He noted that the existing Legion building was to be torn down and a new facility was intended to be constructed on a similar size piece of land on the property across Tache Street. The Town owned land in this area is recognized to be a large piece of land. Mr. Byron stated that it had been thought that the Police building could be located on the back portion of the site with the Legion Hall being located on an adjacent site in the front portion of the site. The Health Unit would be located on the portion of the property to the east of the Legion Building with adequate parking being provided

MLA to assist Town on water situation

Mayor Richard Plain has asked Ernie Jamison to assist the Town of St. Albert in ironing out two of the major problems threatening the timing of the town's new water line.

In an interview Tuesday, Mayor Plain told the Gazette

that the town's ability to provide an adequate supply of water to St. Albert residents could be seriously hampered, first by the City of Edmonton's decision to reconsider the tentative approval of an agreement to supply water to the town,

and second, the MD of Sturgeon's decision to insist on water hookups for residents bordering the new water line right-of-way.

"As matters presently stand," said Mayor Plain, "the timing is absolutely critical." The town has placed orders for pipeline materials and has received a tentative delivery date in mid-January. Construction tenders will be set out in November for bids on the new line.

If the materials can be delivered, bids are received and the city portion of the line completed on schedule, the Town has a chance to meet an early spring deadline.

Lengthy jurisdictional problems with the MD and Edmonton can eliminate any possibility of St. Albert achieving its objective. This would impose substantial hardships on the town's residents.

continued on page 2

Saturday is Legion Poppy Day

Legion members will also be calling on business places with wreaths, or these may be obtained by telephoning Mr. Wally Swenarchuk at 459-7353.

Plans are also going forward for the annual Parade to the Cenotaph on Nov. 11 and for a Remembrance banquet and dance on Nov. 9. The Town of St. Albert has this week published a Proclamation in support of "Poppy Week."

Membership in the St. Albert Branch of the Legion now numbers about 350.

continued from page 1

for the Police facility, the Legion, the Curling Club, the Senior Citizen's building, and in the summer, users of Lion's Park. Mr. Byron pointed out that this plan would maximize the use of the site and less on the

ult price of the construction. Access to the Police facilities were not considered to be a problem which could not be overcome.

Mr. Byron went on to state that the information he was providing was more in the

manner of a preliminary discussion due to the fact that the opinions of the Police, the Legion, and the Province, must be received. He asked that if the proposal was acceptable in principle, that the Administration be

authorized to proceed on the basis of this principle to minimize delays which are of concern to the Police and others involved.

Asked by Mayor Plain if there would be any problem with the timing of the construction of the Police facility on the alternate site, Mr. Byron responded that he anticipated that the project could be completed in six months and that the lease on the existing Police building could be extended if necessary.

Coun. Thronson asked Mr. Byron about the problem of access to the Police Station with proper roadways. He pointed out that the corner of St. Winston Churchill Avenue and Tache Street was one of the most confusing corners in the Town. He also stated that he was concerned that the proposed second river crossing would be made utilizing Tache Street. Mr. Byron reassured Coun. Thronson that Tache Street was not necessarily to be the

site of the second river crossing, and in the light of the other questions he stated that these details were not irrevocable. Mr. Byron stated that once the principle of the project was approved then the Town could work out the details.

Coun. Smith stated that she had been disappointed at the time the Mission/Perron site had been proposed because at the time when the grocery store was located on the property there had been a definite impairment of visibility on the corner, there was a loss of recreational potential of that particular site, and with the Police Station on the site the possibility of a second story on the building would not exist. "I would be interested," she stated, "in including in your discussion with the architect and the RCMP the possibility of not economizing on the foundation so that if in future it were to be used by the RCMP or any other body and a second story would be desirable the foundations would take that strain."

Coun. Thronson asked how long it would take before word would be coming back from the various parties concerned. Mr. Byron stated

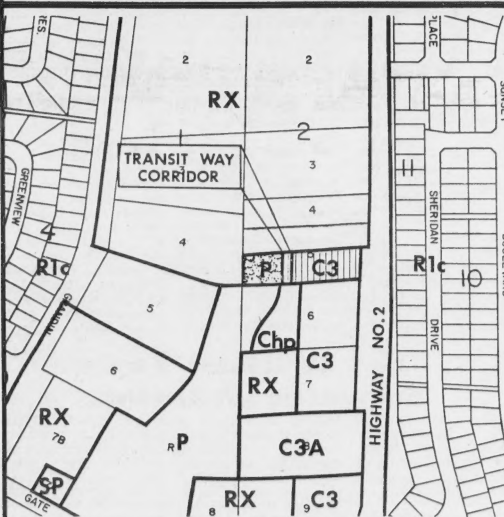

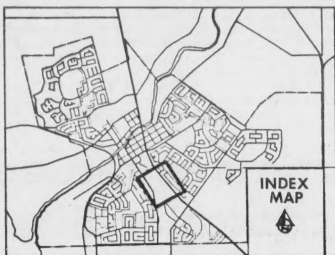

that the RCMP would have to seek approval from the head office in Ottawa but the Health Unit have agreed in principle and the Grandin Medical Centre have agreed in principle to the use of the back of their property as an access to the Police site.

Coun. Smith moved that approval be granted in principle to pursue the matter further and council voted unanimously in favour,

Town of St. Albert

NOTICE OF PUBLIC HEARING

Please be advised that the Council of the Town of St. Albert proposes to pass Bylaw No. 34/74 being a bylaw to rezone a portion of Lot 5, Block 2, Plan 2204 HW (Highway 2 north of Club Mecombo) from Residential Comprehensive (RX) to Highway Commercial (C3) and Park (P).

FROM RX TO C3 COMMERCIAL-HIGHWAY
FROM RX TO P PARK

The proposed Bylaw No. 34/74 may be examined between the hours of 9:00 a.m. to 4:30 p.m. weekdays, at the Office of the Municipal Secretary in the Town Hall, St. Albert.

A public hearing on the proposed bylaw will be held in the Council Chambers, Town Hall Annex on Monday, November 18, 1974 at 7:45 p.m.

Written representations concerning the manner in which any provision of the proposed bylaw may affect him will be received by the Municipal Secretary until 12 noon on Friday, November 15, 1974. Persons wishing to make oral representation may do so by appearing at the public hearing.

Robert L. Byron,
Municipal Secretary.

water situation

continued from page 1

sidents, and seriously jeopardize the development of existing subdivisions, Mr. Plain commented.

The Mayor stated that the Town of St. Albert will take all steps necessary to initiate meaningful discussions with both Edmonton and the MD in order to rectify these long-standing problems. "It is gratifying," he said, "that the MLA has agreed to assist us with these negotiations, since his constituency spans a portion of both the City and the MD." Mayor Plain felt that the type of overview provided by the MLA will assist all parties in arriving at a harmonious and speedy decision on the problem.

Driver examiner for St. Albert?

St. Albert motor vehicle license issuer Armand Nielsen told The Gazette this week he will take driving examination appointments in his office should a driver examiner locate in the town.

Mr. Nielsen, whose office is in the Drayden Insurance Building on Perron Street told The Gazette he has heard there is a real possibility that a driver examiner will locate in the town as the appointment lists in Edmonton and the surrounding area are booked well into the future.

Mr. Nielsen has advised St. Albert MLA Ernie Jamison of his willingness to assist in this matter and Mr. Jamison is pursuing the matter further.

Town of St. Albert

PROCLAMATION 'Poppy Week'

WHEREAS the Royal Canadian Legion has designed the seven days commencing November 5 and ending November 11, 1974 as "Remembrance Week";

AND WHEREAS the National Poppy Committee has recommended that the observance of a "Remembrance Week" would do a great deal to encourage greater interest on the part of the public;

THEREFORE I, R. H. M. Plain, with the approval of the Town Council of the Town of St. Albert do proclaim the week of November 2 to November 9, 1974 as "POPPY WEEK" in St. Albert.

R. H. M. PLAIN, MAYOR.

Town of St. Albert

Public Meeting

re Shopping Centre Proposals

A second meeting in a series of meetings will be held at the Club Mocombo on Wednesday evening, November 6, 1974, commencing at 7:30 p.m.

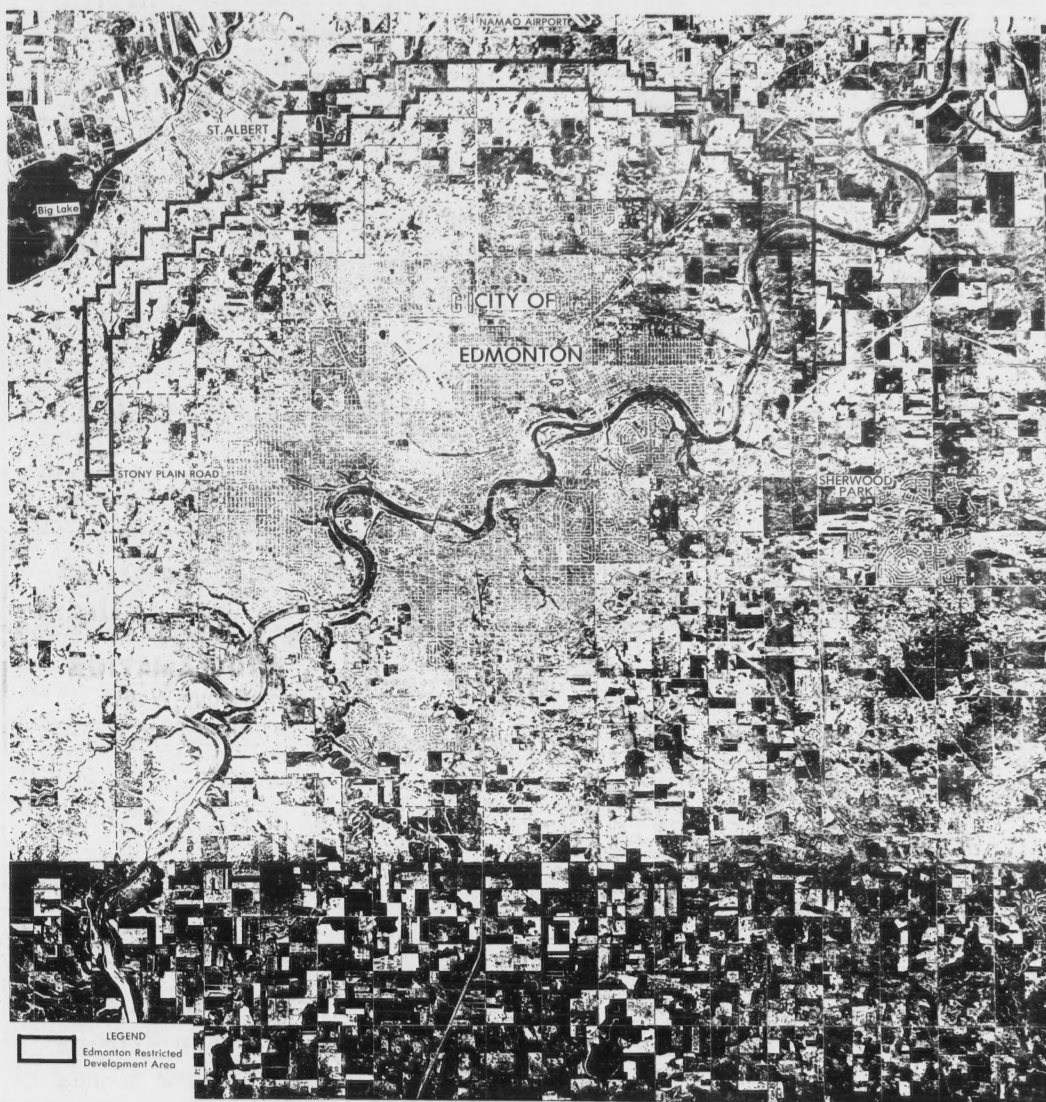

Abbey Glen Property Corporation and National Land Consultants Ltd., will be presenting their proposal for a major regional shopping centre on the northeast side of Highway No. 2 and the Sturgeon River and the southwest side of Highway No. 2 and Gervais Road respectively.

The purpose of the meeting is for you the public to hear the developer's proposal and to ask questions concerning any aspect of his proposal.

Your input is essential to assist Council in reaching a decision concerning whether there should be a major shopping centre in St. Albert and, if so, its location.

ADMINISTRATOR.

St. Albert Green Belt is on the Map

In a joint announcement today the Hon. Bill Yurko, Minister of the Environment and St. Albert MLA Ernie Jamison, made public the information on the "Green Belt" which has been approved by the Provincial Government, to loop around the Northern half of Edmonton.

Mr. Jamison started the pressure for a St. Albert Green Belt in his initial speech in the Legislature, said Mr. Yurko and continually supplied me and my department with ammunition of every conceivable nature for the past three years.

The Edmonton Restricted Development Area averages about one-half mile in width and starts at Highway 16 just west of the city limits. It runs north from the highway toward St. Albert, passes between the town and Edmonton, goes east between Canadian Forces Base Namao and Edmonton, and turns south to end at Highway 16 east of the city limits.

The purpose of establishing the area is to provide for a green belt, preserve lands which have recreation potential, and provide for a possible utility corridor.

Mr. Jamison said this morning that it is also a very significant step in preserving the independence and autonomy of the town.

He gave credit to the people in St. Albert who organized and completed a petition and the 2,849 people who signed in a three-day period last March. The petition, which asked the Department of Environment not to allow a proposed heavy industrial develop-

ment within town boundaries, also requested a green belt. It was tabled in the Legislature on March 20 of this year with the Hon. Bill Yurko.

This is an example of constituents working with their MLA under the Conservatives "open government" policy, said Mr. Jamison.

The provincial government has approved three Restricted Development Areas in the vicinity of Edmonton. The other two areas follow the North Saskatchewan River Valley east and west of the city.

In the restricted development areas, existing agricultural, commercial and industrial activities may continue but any major expansion of activities or new activities must receive approval from the Minister. The same restrictions apply to buildings.

The eastern edge of the Edmonton Restricted Development Area borders on the Edmonton-Fort Saskatchewan Restricted Development Area. This area extends downstream to about two miles east of Fort Saskatchewan, generally following the top of the bank along the North Saskatchewan River.

The purpose of this area is to protect the river bank from undesirable development and to preserve recreational lands.

The Edmonton-Devon Restricted Development Area is on the southwest end of Edmonton and also follows the upper bank of the North Saskatchewan River. It runs from the bridge over the river to the Edmonton city limits and was established to protect the river banks and recreational lands.

Outline Plan previewed

A sneak preview of St. Albert's Outline Plan was provided by Town Planner, Mr. D. W. Gordon, at the special meeting of Council on Monday, October 28. Mayor Plann stated that the purpose of bringing this matter forth was to try to obtain, in the brief period of time, an overview of some of the important questions relating to the planning of the community. The mayor also noted that in view of the short span of time provided to the planner, the material provided was not intended to be extremely comprehensive.

Mr. Gordon began his presentation by stating that he had noted that there were three areas which council had wished to look at in an exploratory fashion. The first aim was to provide council with background on current subdivision and development proposals in Town the second was to provide an inventory of population potential of the Town including all serviceable areas within the Town limits, and the third point was to bring out General Plan issues.

Mr. Gordon outlined the current development areas in the Town (proposed and

existing) including Alcan, Qualico, Ball Estate, Grandin Village Phase 2, National Land site, Daren Holdings, Bonanza proposal, Downtown development areas (several separate holdings in this area), BACM's various developments Abbey Glen, and so on. He went on to say that, in view of the haste in which the report had been prepared, some errors may exist and the response was preliminary. He stated that in the weeks ahead, a more definite mapping will take place. Mr. Gordon also stated that there was insufficient time to do the population inventory which would also be forthcoming.

Coun. Luky presented a notice of motion, conditional to receipt of additional information as promised by the Planner. He outlined three steps to be noted in the formulation of an outline plan: "The first step that Town take immediate action to completely resolve the servicing in all segments, social, recreational public works, and public protection. This resolution shall include all areas presently committed by development agreements. The second

step, that Town proceed to prepare a plan and alternatives for growth within the limits of the Town, and here I mean present limits and those as of January 1, 1975. This plan is to be based on the philosophy that the Town is to be autonomous and the plan shall indicate the rate and staging of developments and growth that is practically co-ordinated with the provisions of regional services and the extent of transportation systems. Step number three, similar to step two, that a plan and alternatives towards growth and development in areas requiring land annexation."

Coun. Luky stated that he felt the first point which had been mentioned, dealing with servicing was the most important portion of his comments in view of the need to insure the servicing of these properties. He stated that the other matters could be dealt with as time goes on. Mayor Plann noted that the servicing question would be better to be dealt with as more information is received, and the notice of motion was received on condition of receipt of the information from the Planner.

"As part of my parliamentary reform — here's your new office . . ."

CORRECTION!

It has come to the attention of the Gazette that there was an error made in the election report regarding Mr. D. J. Colner who won a seat on the Hospital Board in the poll by poll figures

and in the story dealing with the subject, Mr. Colner is reported to have received 2,370 votes. The correct total for Mr. Colner is 2,730, placing him in second, rather

than third position in the polling.

Our apologies to Mr. Colner and our thanks to those who drew this matter to our attention.

COMMENT

Political Speed Limits

By A. K. Zimmer, St. Albert

Our Minister of Highways, the Hon. Mr. C. Copthorne thwarted at least temporarily, the obvious opportunity of the Alberta Progressive Conservative Government to make some political hay with NDP legislation introduced by the B.C. Government to reduce highway speed limits in that province.

Mr. Copthorne's latest red ink front page news release in support of that NDP legislation before could cause his cabinet colleagues to put a speed limit on any similar rushes to the news media by the Alberta Highways Minister, in order that the content of same may be subjected to the benefit of thorough analysis by others in cabinet, who are capable of discovering possible embarrassing situations.

Mr. Copthorne's latest release could have benefited from such a second analysis, for the B.C. Government legislation he supported appears to have at least some political results other than the first glance concern for human suffering. It could very well be, that the ultimate concern was to save political necks of those setting B.C. Government Auto Insurance rates, more so than saving of human lives and suffering caused by highway accidents.

For while it is commendable to reduce human suffering by reducing highway accident rates, if that was the only concern it should have been accompanied by a simultaneous reduction in insurance premiums set by that province, corresponding to the amount of money saved by the B.C. Government Insurance system by the reduced accident rate.

In fact, the B.C. Government has reduced highway speed limits to 55 m.p.h., since according to their statistics, it would reduce the most serious highway accidents by 24 per cent. Now, if the Government statistics used are indeed based on valid research, then it should result in a claims reduction to the insurers, and should be followed through with a corresponding premium reduction to B.C. residents. This was not done. Why?

It is obvious that the most serious highway accidents cost much more per individual claim than what it costs per claim for an average accident. It could therefore be reasonably assumed that the money saved by reducing the most serious accidents by 24 per cent, results in a total claims saving much higher than 24 per cent to the insurers, and the premiums could be reduced accordingly.

Could it be, that the reason for not reducing premiums at the time of reduced speed limit legislation by the B.C. Government is that their auto insurance is in such

bad financial straits that it requires 100 per cent of the premiums previously charged to pay for only 76 per cent or less of the claims which would have arisen without speed limit reductions to 55 m.p.h.? If this is the reason for not passing on a corresponding reduction in insurance premiums, then the insurance dollar certainly does not purchase as much coverage in claims totals, as in other provinces.

In this case the legislation would merely be a manoeuvre to camouflage what would amount to a drastic rise in premium at much less risk of claims to the insurer. This aspect was apparently not considered by Mr. Copthorne, when he seemed to favour the speed reduction legislation in B.C., with his latest announcement. It appears, for some people IT IS difficult to understand that such a camouflaged increase is comparable to that of a butcher denying that he has increased the cost of meat if he sells it for the same price per pound, except that he reduces the "pound" to 76 per cent of its weight.

Certainly, after years of bringing Alberta highways to 70, 65 and 60 m.p.h. standards at great expense to the Alberta taxpayers, it is unrealistic to now consider reducing the Highway speed limits to 55 m.p.h. in Alberta. It would do nothing to drivers who break the present speed limits and cause most of the accidents, because they would continue to travel at speeds higher than the present limits. What is needed to cut down on accidents in Alberta is more enforcement of present speed maximums, and life time license confiscation for repeat offenders with more than three convictions per annum.

In closing it should be remarked that the statistics which showed a 24 per cent reduction in serious highway accidents in Washington State, and upon which B.C. apparently based its decision, were not caused by reduction of speeds to 55 m.p.h. alone in that state. Other factors must be taken in account. During the same period when this speed limit was in effect, thousands of Americans took to public transportation to go to work to help save energy, others were unable to afford weekend and vacation travel because of rising gas costs generally and the prospect of being stranded without gas far from home in particular. On top of all that, U.S. long distance truckers went on strike, for reason of reduced speed limits, and kept more vehicles off the highways.

Hopefully in Alberta, while the Conservative Government is still in power, highway speed limits will be continued to be based upon traffic and highway conditions, rather than be dictated by political expediency masquerading as social concern about human suffering.

to the Editor

Blood Donor help

On behalf of the Canadian Red Cross Blood Transfusion Service, I would like to thank you for publicizing our blood donor clinic in St. Albert.

This clinic realized 117 registered donors, with five being deferred, giving us a total of 112 pints for our blood bank when it is very

much needed to ensure an adequate supply.

With the continued efforts of dedicated people such as yourself, we can look forward to productive clinics in the future, thus ensuring that the "Gift of Life" will be available when needed.

Ms. Kristeen Schaan
Donor Panel Director.

Dislikes Tactics

The Editor,
The St. Albert Gazette

October 21, 1974.

During the past few days both myself and members of the Executive of the Liberal Association of St. Albert have received phone calls from Liberals in this constituency who have been approached by elements in the "dump Jamison" faction within the Conservative Party with the suggestion that Liberals could obtain memberships, vote against Mr. Jamison at the nominating convention and then tear up their newly acquired card and return to the Liberal Party.

I am shocked that such tactics would emerge in this contest for the Conservative nomination and I am confident that the Conservative Party would not sanction the solicitation of members of another political party for the express purpose of defeating a sitting M.L.A.

The Liberal Party of Alberta will have no part in the internal affairs of another party and we urge Liberals who have been contacted to reject these devious methods. A membership in a political party carries with it the obligation to support the party and a commitment to work for the successful candidate.

The choice of the Conservative Party candidate is one that should be rightly made by the members in good standing of the St. Albert Conservative Constituency Association and that decision should be supported by all citizens.

The Liberal Party will have a candidate for the St. Albert constituency in the next provincial election and if I am that candidate, I want to oppose the Conservative candidate on the issues and not have the election clouded by the Machiavellian tactics of a group of power brokers.

Bob Russell.

Planner Questioned on Outline Plan

In the discussion of the matter of the General Outline Plan of the Town of St. Albert brought out at the special meeting of Council held on Monday night, members of Council were given the opportunity to throw questions to the Planner, Mr. D. W. Gordon.

The first question came from Coun. Wetsch who asked what the next step would be in the Downtown section. Mr. Gordon stated that the next step was to determine the priority site for the municipal focus of the community centre, and from there determine the commitments that might be possible from other public agencies - particularly provincial govern-

mental needs. He stated that once these are finalized, exploration can be followed up with present developments. "I think," he stated, "we have to look out for our own interest in this area first, and insure ourselves that we have the most appropriate site for our own needs, but

also that our own facilities are complementary to the other uses proposed in the area." He went on to say that the facility should not only be used during daytime hours.

Mr. Wetsch asked if the proposal supplied by the planner was intended to be the one which was to be followed or if it was just meant to give an idea. Mr. Gordon acknowledged that the proposal was just intended to illustrate possibilities. Mr. Wetsch further questioned as to when such a proposal would be implemented. Mr. Byron, administrator interjected that once the site was known for the civic complex then further efforts could be made to carry a program for the downtown area.

Mayor Plam asked a question regarding whether or not a replot of the downtown area was to be done and if not he asked what the ramifications of the move. Mr. Byron stated that the motions heard previously regarding replot were first that a replot be conducted, and the second motion was to look into the feasibility of it. "We have not had an opportunity," Mr. Byron stated, "to do an indepth report. We have some serious misgivings concerning the element of time and the complexities. We think that we can live within the situations that are before us, and that things can be resolved as the development takes place. We are not actively pursuing the replot scheme."

The mayor suggested that if further comments on project matters were not being voiced, that questions would be entertained regarding the General Plan. Coun. Smith inquired as to the expected completion of the projects ongoing in the Town and if such dates could be forthcoming with the information he stated he would be bringing before council in the near future. The mayor then asked Mr. Gordon to give a brief overview of the general plan. Mr. Gordon stated that as the mayor had previously noted, there is to be a research planner joining the Planning Department on the

1st of November, who will work with Mr. Gordon in building up the General Plan. He stated that it was his hope that this individual would speed the process along. He also stated that a position paper should be ready by late November or early December for the perusal of council and their comments. Mr. Gordon also mentioned areas such as population and land use which are to be analyzed and responded to. Shopping centre issues which have come up will also have to be resolved before the General Plan can be fully developed.

Mr. Gordon further stated that initial areas which would have to be examined would be particularly the population inflow and the current structure of the community. Also mentioned for analysis were the influence on the growth rate of the Town and what the population potential of the Town would be, assuming variable rates of development. He stated that such information would provide population parameters. He also stated that density would be of worth to examine, and land use also was mentioned. Mr. Gordon stated that there was still work to be done in regards to the transportation issue referring to mass transit and public transit. On the matter of utilities, he said that consultants were at work on some matters and others were to be "farmed out" to these individuals.

The final point of the General Plan work, and the facet which Mr. Gordon stated is the most difficult, is the matter of capital financing implications of growth alternatives. "It is a difficult issue," stated Mr. Gordon, "to get a handle on, trying to document in an objective manner because so many of these matters are subjective." Mr. Gordon stated that there also has to be a sensitivity to the ultimate goals and objectives of the Town.

Coun. Smith asked if it would be possible to provide fundamental information for use at public meetings to maximize the input from the public in the matter of the

General Plan and stated that it would be appreciated if this matter could be discussed. Mr. Byron felt that it might be useful for Mr. Gordon and the research planner to work with an appointed group from the public while the General Plan is being formulated and Mr. Gordon stated that this is one of the alternatives which could be followed.

Mayor Plam asked Mr. Gordon if he had any notions for alternative methods of financing major capital projects which could be forthcoming. Mr. Gordon stated that the question ties in with the capital planning which has to be done within the Town. He stated that the matter of financing will have to be contended with as the issues arise and that the comptroller or the administrator were in a better position to give information of this type.

The mayor put forward a question regarding the supply of water for the Town consumers and asked what could be done if it became apparent that adequate water supplies do not exist in the spring. The question was directed to Mr. Maandag, town engineer, who responded by saying that Stanley and Associates had been engaged by the Town to work on the immediate requirement of an additional supply line to supply line to the Town. He pointed out the existing 10 inch supply line is working to capacity during peak periods. Mr. Maandag noted that a source of supply from which the Town can take water is located in the Castledowns area timed for installation in the spring. The water would be transported to the Town by way of an 18 inch line. Mr. Maandag stated that the timing, construction wise, is tight but in view of the L.A.B. meeting coming up and if things fall in the Town's favour he anticipated that construction will proceed.

When asked by Council or Thordson if there was anything further that council could do in regard to the water line and supply, Mr. Maandag stated that all the necessary decisions had been made by Council.

Bob Prather

Last week I suggested that an MLA be obliged to play a constructive role in his constituency and I touched on several instances where the apparent attitude of the present MLA suggested that he thought otherwise. This week I would like to suggest some of the constructive measures which ought to be taken in the constituency.

THE TAX BASE

An examination of the property tax situation throughout the area reveals a very weak residential/industrial tax ratio. The effect of this imbalance on the individual ratepayer's tax bill is to drive the total higher and higher since few services can be cut and the cost of services continues to increase year by year. At the same time elected councillors face requests from the electorate for expanded services. The solution to this dilemma does not lie in continued increases in mill rates. Steps must be taken to broaden the tax base so that the burden for providing

services is borne by a larger, broader group, and this group must include industry. A constituency task force must be organized in the very near future with the primary objective of encouraging industry - preferably light, non-polluting industry - to locate within constituency boundaries. Such a task force would also be responsible for developing guidelines for equalized tax-sharing and development cost arrangements. The responsibility of the MLA in this framework would be to co-ordinate the efforts of the force, to ensure the co-operation and assistance of the provincial government, and to secure the passage of necessary enabling legislation.

SERVICES

At the same time, the MLA must assist elected representatives to take advantage of government funding for services to people. In this area he must act as a co-ordinator providing liaison between councils and

the various provincial departments and agencies. He must help town, village, and municipal councils to provide and expand water and sewer services, to install gas utilities, and to construct and upgrade roads taking advantage of a maximum of government assistance. He must ensure that assistance is available to individuals - farmers in particular - who can not participate in municipal water and sewer projects.

EDUCATION

The MLA must also undertake to assist school authorities in meeting their responsibilities. Although schools face considerable criticism from many sectors, this criticism is not generally of what they do, but rather of what they fail to do. Essentially, critics are asking that schools expand their services, that they make greater provision for the uniqueness of students, that they pay more attention to individual needs. The means of satisfying the requests of critics are generally expensive and again, typically, the local taxpayer

is required to bear the burden.

The solution to these problems is to be found at the provincial level. The St. Albert Constituency must have an MLA who can convince the government that assistance to school authorities must be increased, who can assist them in making representation to the Department of Education for increased funding for expanded programs and facilities so that local taxpayers are not required to assume the responsibility for ever-increasing unsupported debt.

He must also encourage the Department of Advanced Education to re-evaluate the need for a post-secondary institution in the area. The Athabasca University was to have met the needs of many high-school graduates north of Edmonton, but it was sharply reduced in scope and moved out of the constituency despite the resistance of the present MLA. It seems logical, now, to re-examine the needs of the community with a view to providing a local post-high school option for adults.

SPECIAL EDUCATION

As well, the efforts of parent groups who are concerned about provisions for mentally handicapped and learning disabled children require attention. Up to now, the government has concerned itself mainly with only the severest cases, leaving volunteers, parents, and private institutions to solve the problems. Our MLA must ensure that the difficulties that these parents and children face are brought to the attention of the government and remedied.

I share many more of your concerns - about the need for and cost of expanded recreation facilities and programs, about the shortage of space in senior citizens homes and nursing homes, about marketing and consumer problems, and about the need for expanded community health services - but space limitations do not permit me to deal with them properly. I can only say that I care very much about the way government affects people and that I am convinced that things can be done better.

You have two options with respect to determining who will represent the constituency following the next provincial election. The first option must be exercised on November 7 at the Progressive Conservative nomination meeting in Morinville. If you are not satisfied with your present representative you have the opportunity, there, to replace him before the election is called. The second option is to make your choice when you cast your ballot next summer.

I am encouraged by the support I received following the publication of my column in The Gazette last week, and I thank The Gazette for the opportunity to express my views.

Ernie Jamison

Some of the ongoing projects on which I am presently working may be of interest in this column. A Senior Citizens Lodge will get underway next year and a site will be considered by St. Albert Town Council at their November 4 meeting. The Senior Citizens Club gathered necessary preliminary list of names on a petition to support the evidence of need, and they will continue to be consulted as the project proceeds. Other centres which I have worked with on similar submissions are Morinville and Gibsons.

Your MLA is receiving co-operation and assistance from the Provincial Government, under the new 'Land Reclamation Act' to put the 125-acre lagoon site into usable condition.

The ring road and radial road plans will be announced shortly, with initial construction to commence next year.

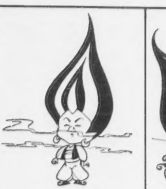

Meetings have been held, briefs presented and discussions have taken place with several ministers and department resource people on the serious situation which many municipalities are facing in financing necessary services. As your representative I have been heavily involved in these discussions, and other MLA's throughout Alberta have also been working on the problem in their areas. Budgeting matters and developing of an equitable formula require time, but I am able to state that there will in fact be an increase in municipal financial assistance from the province, almost immediately.

Having regard to the three year Sturgeon River program to commence next year, public hearing will be held in the spring to inform all residents of the area of the Provincial Government plans, and to receive suggestions from the public.

You may be aware of the Premier's announcement three weeks ago that the Provincial-Municipal Finance Council has been asked to give top priority to submitting a proposal for shared industrial taxation throughout the entire Province. Such legislation will be of permanent benefit to municipal

Give your heating system a safety check-up.

Normally your natural gas appliances and heating system operate with little care or maintenance. However, an annual check-up will ensure full, efficient operation and complete comfort. To help you inspect your heating system, use this handy guide.

 CHECK YOUR CHIMNEY: Loose mortar, soot and other debris may accumulate at the base of the chimney obstructing free passage of the products of combustion. Watch that ice and snow on top of the chimney do not cause blockage.	 RANGES SHOULD NOT BE USED TO HEAT A ROOM: Do not use your kitchen range to heat a room. Use proper heater designed for the purpose.	 CHECK ALL VENT PIPES: Examine all appliance vent pipes. A dislodged vent may block the end of the pipe, or permit exhaust to enter the room.	 BE ALERT TO DANGER SIGNALS: Smarting of the eyes, nose irritation and unpleasant odors are indications of fumes in your home.	 FRESH AIR SOURCE: Be sure there is a source of fresh air in your home. Do not keep your house "air-tight". Your gas appliances, like you, need air.

Conservative Candidates Views

governments, particularly the many fast growing municipalities like the six in the St. Albert constituency. This enlargement of their tax base will enable municipalities to manage their own financing with autonomy, without the need of going 'hat in hand' to the province - a situation I have deplored. Along with other colleagues in government, I have worked through more than one department to persuade those in authority that the situation needed correction.

I believe that good recreational facilities hold part of the answer to the problems of such grave concern to many parents whom I have talked to over the last three years. Problems of drugs, vandalism, insecurity in a fast changing world, which disturb our young people and their parents. Recreation facilities also serve to knit

communities together and help maintain a solid community base for young people and adults, which is a source of needed support. These views are widely shared among the Ministers and MLA's and the result has been a plan under which communities throughout the province have been receiving many recreational grants. Under consideration by government at present is a plan to assist all municipalities in a substantial way with major recreation facilities.

Those of you who read Hancard will be aware of my position on industry for Western Canada and my contribution to the debate on Bill 44 during the spring session this year. I believe that Canada can be strong only if the West is strong, and the western provinces must be allowed to develop

their resources and resulting heavy and light industry in order to balance their economies and play their essential role in the Canadian federation. A powerful, arrogant central federal government, with all the horrendous bureaucracy which has grown up around

it can never provide the answer to Canadian unity or Canadian prosperity. Yet two provinces, Ontario and Quebec have sufficient seats in Ottawa to elect the federal government, and have been doing so since Confederation. I will continue to fight for development of fair

freight rates, management of our own resources and industrial development for Alberta and all of western Canada. That way lies a strong and united Canada. If nominated I will continue to be available at all times to all constituents and to work hard as your MLA.

I ask your support at the Nomination Meeting in Morinville on Thursday, Nov. 7. To vote a Conservative membership is required. Ph. 459-4597, 458-0117 or 459-7994. Memberships and transportation will be arranged.

TAX TIPS FROM OTTAWA CHILD CARE EXPENSES

More women with children are working at jobs outside the home than at any time in our history. Likewise, a correspondingly large number of other women are spending their time looking after these children.

There are income tax implications for both.

The woman who pays to have her children looked after can claim certain expenses,

and the woman who does the looking after should treat the child care payment as income.

Expenses for care of children who are under 14 years of age at any time during a year may be deducted from income when filing an income tax return. Physically or mentally infirm children over 14 who are dependent on the mother or father also

qualify for the child care deduction.

These expenses include cost of baby sitting and day nursery care and up to \$15 a week per child for lodging paid at boarding schools and camps. They must have been incurred to enable the mother to be employed or to carry on a business.

The expenses are allowable only for care in Canada, and are deductible only for the year in which they are incurred and paid. Clothing, transportation, education, medical or hospital care are not taken into account when calculating allowable expenses.

SOME RESTRICTIONS:

You can't pay just anyone for looking after your child and claim it as a deduction, however. The income tax department won't allow you to do this for someone you or your husband is already claiming as a dependant, nor for anyone under 21 who is related to either of you by blood, marriage or adoption.

And there are restrictions on the amount you can claim on the amount you can claim for child care. It can't be more than \$500 per child, nor more than \$2,000 a year for the family, nor more than two-thirds of the working mother's earned income for the year. It has to be the lowest of these three.

To give an example. Suppose you were a working mother of three children, all under 14, and during the year you paid \$400 to a day nursery to care for one child and babysitting fees of \$1,200 for the other two children. You earned a salary of \$6,000 during the year.

The total you spent for child care was \$1,600. The family limitation (\$500 per child, maximum \$2,000) is three times \$500, or \$1,500.

Two-thirds of your earned income is $2/3 \times \$6,000$ or \$4,000.

The smallest of these figures is \$1,500 and this is the amount you could claim as child care expenses when completing your income tax return.

To claim the deduction, child care expenses must be supported by receipts. The name and address of the person to whom you make payment must be provided and except for an organization such as a day nursery, the Social Insurance Number of the recipient must also be included.

MEN NOT FORGOTTEN:

Fathers, too, may deduct child care expenses for children in their custody.

Fathers who are single, widowed, divorced or separated by written agreement can. They may also in cases where a medical practitioner certifies that the mother is for the foreseeable future incapable of caring for her children because of a physical or mental infirmity because she was confined to bed, wheelchair, hospital or institution for a continuous period of at least two weeks, or where she has been in prison for at least two weeks.

In any of these circumstances, the father may deduct child care expenses subject to the same general rules as a working mother.

However, in addition to the deduction limits outlined for working mothers, the father's deduction may not exceed the lesser of \$15 for each child or \$60 for the family for each week during which he is eligible to claim.

If the father were to claim a deduction for a temporary incapacity of the mother, and the mother also had deductible expenses for the remainder of the year, the maximum limits of \$500 per child and \$2,000 per family that would ordinarily apply to the mother's claim would be reduced by the amount of the father's claim.

New Council tours Town facilities

The mayor and new councillors went on a tour of Town facilities on Saturday, October 26, which gave them an opportunity to acquaint themselves with the various resources of the Town. Mr. R. Byron, Town Administrator, Mr. Jan Maandag, Engineer, and Mr. Colin Ford, chairman of the Social Service Board, were on hand to provide information on the various sites which were visited.

The tour commenced at 9 a.m. at the Town Hall with Mayor Plain, Coun. Smith, Coun. Broadner, and Coun. Wetsch in attendance (Coun.

Fyfe, Lukay and Thronsdon were not in attendance having made the tour when they took office previously). Mr. Byron took the councillors through the Town Hall noting the areas where various town business is done and pointing out overcrowded conditions which exist on the premises. It was noted that the most use was being made of the available space in the 5,000 square foot building which will not be sufficient for the needs of the Town much longer. The Town Hall is destined to be converted into a library/cultural centre in the future.

The group were then taken

by bus to visit the Fire Hall where Mr. Frank Ricard, one of the personnel on duty, explained the uses and functions of the equipment on hand. The Social Service Board office which is also housed in the Fire Hall was also toured and Mr. Ford explained the activities which are conducted by the Board. Coun. Smith noted that despite inadequate space that a good job was being done in organizing in the limited room.

The new public works building was the next stop on the tour and Mr. Maandag explained the functions of the areas in nearly completed

site. The dog pound, which is also located on the site, was also inspected.

The tour then moved on to the Lift Station for the new sewer facility. Mr. Byron and Mr. Maandag explained the function of the equipment on the site and what the lift station will perform when it is in operation.

The bus then travelled parallel to the easement of the sewerline and made a stop at one of the sites where the line is being installed before continuing on to the

multi-million dollar treatment facility on the North Saskatchewan which is very impressive. The facility is near completion on its 160 acre site.

The next stop was made at the water pumping facility located just north of Edmonton in the MD of Sturgeon. Pumping equipment and monitoring devices were explained by Mr. Byron and Mr. Maandag.

The tour moved on to the pumping site in Sturgeon Heights, the so called "heart

of the Town," where the water supply of the community is circulated from. Explanations of the equipment and monitoring devices were given.

The tour then moved to the new Grandin Clubhouse and skating area and then over to the Mission Clubhouse before returning to the Town Hall.

The tour lasted approximately three and a half hours.

One of the stops made by the council members on their tour of Town facilities was the Fire Hall where Frank Ricard, one of the firemen on duty, offered explanations regarding the various pieces of equipment on the premises. In the picture from left to right are Colin Ford, Coun. Barry Broadner, Coun. Gary Wetsch, Frank Ricard, Coun. Margaret Smith and Mayor Richard Plain. In the left foreground with his back to the camera is Mr. Robert Byron, Town Administrator.

New special rates for weekend long distance phone calls

New special rates for direct dialed long distance (DDD) telephone calls within Alberta will apply for whole weekends for a six month trial period commencing November 2.

Alberta Government Telephones is extending the popular "Sunday 50" long distance calling plan to "Weekend 50," which will be in effect from midnight Fridays, all day Saturdays and Sundays, until 6 a.m. Monday mornings throughout the six month trial period.

DDD calls dialed to any number within the province while "Weekend 50" rates are in effect, will have a maximum 50¢ charge for the first three minutes, and up to 16¢ for each additional minute.

The low "Weekend 50" long distance rate also ap-

plies to "station-to-station" calls placed by customers who do not yet have Direct Distance Dialing service in their area. However, where DDD service is available, "station-to-station" calls placed through the operator are not subject to this special rate. All other types of calls not subject to "Weekend 50" rates are: collect, person-to-person, third

party billing, credit pay phone, time-and-charges and mobile.

The "Weekend 50" plan should help to alleviate phone circuit congestion during peak hours Sunday evening.

Continuation of reduced rates for Saturday long distance calling will depend on results of this trial period.

ANNUAL GENERAL MEETING

ST. ALBERT

SAFETY COUNCIL

The St. Albert Safety Council will hold its annual general meeting on Thursday, November 14 at 8 p.m. at Robert Rundle School. An invitation to attend is extended to the general public. Refreshments will be served.

PUBLIC NOTICE

THE SCHOOL ACT 1970 - SECTION 7 - PUBLIC NOTICE
THE ST. ALBERT PROTESTANT SEPARATE SCHOOL DISTRICT NO. 6

Whereas under the provisions of Section 96 of The School Act 1970, public notice is required, therefore the following is presented for public scrutiny.

The Board of Trustees at a regular Board Meeting held October 23, 1974 approved:

that the Administration Building, 60 St. Winston Churchill Avenue, St. Albert be renovated, and extended by building additional offices, a Board Room, storage space and a Maintenance Centre at an estimated cost of \$281,110 plus Architects fees \$19,687

TOTAL COST \$300,777

and that necessary financing be provided through operational funds and reserves.

W. Webber,
Chairman

Dated at St. Albert this 23 day of October, 1974.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE - (Section 96 The School Act 1970)

"Elector" for the purposes of petitioning for a vote on a debenture by-law means a person:

- (i) 18 years of age or older,
- (ii) who is a Canadian citizen or British subject, and
- (iii) resident, in the case of petition, in a district or division for at least the 12 months immediately preceding the day on which the petition is presented;

A poll respecting the aforementioned borrowing may be demanded in a School District Division by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2 (E), 3 and 104 of The School Act, 1970. The petition must be signed by at least

- (a) 2 per cent of the electors in a district or division having 10,000 electors or more, or
- (b) 5 per cent of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
- (c) 10 per cent of the electors in a district or division having less than 5,000 electors but 500 electors or more, or
- (d) 15 per cent of the electors in a district or division having less than 500 electors, and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

New policy on Board selection established

Monday's special Council meeting, the last of the 'organizational' meetings of St. Albert's new Town Council, saw members appointed to the various boards.

Mayor Plain suggested that the appointments to each board be moved separately and Coun. Fyfe, one of the members of the nominating committee (Coun. Smith was the other), made the motions regarding the appointments.

The first board to be considered was the Edmonton Regional Planning Committee. Coun. Fyfe made the motion that Mayor Plain be appointed as the standing member and that the alternate member be Coun. Lukay. Several objections were heard to this with Coun. Lukay asking, in view that he was the standing member. Mayor Plain echoed Coun. Lukay's argument sta-

ting in the light of his recent appearance to the scene, perhaps he lacks the experience required. Coun. Fyfe stood firm stating that she would grant that the Mayor "had a lot to learn," she suggested that perhaps the alternate member could attend the meeting in a fuller capacity until such time the mayor wished to assume the role in a full capacity. The mayor stated that "the problem of examining the Town's operations, familiarizing myself with them and instituting certain changes in directions, will certainly not enable me to take an active part for that period in the ERPC. The council upheld his appointment to the ERPC with a vote of 4 to 3, Mayor Plain, Coun. Lukay, and Coun. Breadner voted in opposition to the appointment.

Dealing with the other app-

ointments, Council voted unanimously in favour of the following appointments: appointed as standing member to the Curling Board was Coun. Wetsch, as alternate member was Coun. Smith; appointed as standing member to the Library Board was Coun. Smith, as alternate member was Coun. Wetsch; appointed as standing member to the Parks and Recreation Board which will be formed in the near future was Coun. Breadner; as alternate member was Coun. Thronson; appointed as standing member to the Police Commission was Coun. Wetsch (there is no alternate member to this commission); Coun. Fyfe was appointed as standing member to the Social Services Board, Coun. Wetsch was appointed as alternate; Coun. Fyfe was appointed as standing member to the Sturgeon Health Unit with Coun. Smith appointed as alternate; Coun. Lukay was appointed as standing member to the Transportation Planning Steering Committee with Coun. Thronson appointed as the alternate; Coun. Lukay was appointed as standing member of the Edmonton Area Emergency Measures Organization (there is no alternate); Coun. Breadner was appointed as standing member to the Sturgeon River Basin Development Committee with Coun. Fyfe appointed as alternate; Coun. Thronson was appointed as standing member to the Safety Council with Coun. Smith appointed as alternate mem-

ber; and Coun. Thronson was appointed as standing member to the Development Appeal Board (at such time as this Board is formed Council will make further decisions regarding more representation from their ranks).

On the subject of appointments from the public at large to the various Boards within the Town, Council decided to establish a new course of action which will be followed in the future. At this time it is anticipated by the Council that they shall take more of a role in the selection of these individuals rather than "rubber stamping" the advice of the sitting members of the Boards. Coun. Smith moved that Council discuss the manner of appointment to the Boards which received a vote of 7 to 0. It was expressed that the council did not have adequate information to make decisions on the names forwarded to them.

Coun. Breadner made three motions in this regard. The first was that all board members be selected with an interview procedure being followed. The motion received a vote of 7 to 0. His second motion was that the committees doing the selection consist of three members, in the case of an established board, with two members of the Board represented and one member a council representative. This motion passed 6 to 1, Coun. Wetsch voted in opposition. Coun. Breadner's third motion was that in the

case of a newly established board that the committee consist of the standing member from council, the alternate and a representative of the Town's administration. This motion received a vote of 5 to 2, Coun. Smith and Wetsch voted in opposition.

Coun. Thronson moved that the selection from the applicants be made by secret ballot. The motion received a vote of 6 to 1, Mayor Plain voted in opposition. Coun. Thronson also moved that the length of term be determined by a random method which was defeated by a vote of 3 to 4, Coun. Wetsch, Lukay, Breadner, and Mayor Plain voted in opposition.

Coun. Breadner moved

that the length of office which a selected board member will serve be determined by the number of votes the individual receives. This motion received a vote of 4 to 3, Coun. Fyfe, Wetsch and Thronson were opposed.

Coun. Breadner moved that the matter of the immediately required appointments to the Library Board be decided between now and the 18th of November and that the selection be done on that date. The motion passed with a vote of 7 to 0. Coun. Fyfe moved that the appointments to the Social Service Board be made at the first meeting in December which passed with a vote of 7 to 0.

Bill Webber elected chairman - District 6

During a short organizational meeting of the St. Albert Protestant Separate School District #6, Mr. George Hargreaves, secretary-treasurer, called for nominations for chairman. Mr. Bill Webber, nominated by Dr. W. Cuts, was appointed chairman and Dr.

W. Cuts, nominated by Mrs. Shirley McCaffery, was appointed vice-chairman.

Mr. Jack Gardiner, architect, was in attendance at the board meeting to discuss the tenders for eight portable units which were previously received and opened at the district office.

He recommended that the board accept the bid for \$157,750 from Gendall Industries. He also recommended that where discrepancies exist in tenders, the architect's specifications would govern. Mr. Webber moved that the board accept both recommendations by Mr. Gardiner.

The board discussed a recommendation to approve the curricular and extra-curricular activities for Lorne Akins and Sir Alexander Mackenzie schools for the 1974/75 school year. Mrs. McCaffery wanted to know how many of the activities were held in the evening and Mr. B. Findlater, principal of Lorne Akins informed her that there were six evening events. Mr. Murdo McFarlane moved that the board accept the recommendation and the motion was carried. Mr. Webber, chairman, felt that this was an appropriate time to commend the teachers who give up their own personal time so freely.

Mr. Stan Hodgson, architect from Groves Hodgson Ltd., was present to talk about the addition and renovations to the district office. Two tenders had been received, both from local St. Albert firms. The architect recommended that the tender

from Harsim Construction be accepted because it was the lowest bid at \$268,610 plus \$12,500 management fee and because work could commence almost immediately instead of next spring. The board had delayed proceeding with work on the district

office while it investigated the possibility of re-locating in the proposed Civic Centre and costs had spiralled in the meantime. Mr. Don Munro moved that the board accept the bid of Harsim Construction and the motion was carried.

Award winning program to be shown in Alberta

"Inside/Out" the Agency for Instructional Television's health education series for eight-to-ten year olds has won an Emmy Award in the 1973-74 competition of the National Academy of Television Arts and Sciences. The program will be shown every Tuesday from 9:45 to 10:00 a.m. as part of ACCESS Alberta's "Come Alive" program. "Come Alive" is seen each day from 9 to 10 a.m. on CFRN-TV Edmonton, CFAC-TV Calgary, CKRD-TV Red Deer and some CBC affiliates. It is also telecast on CTV Edmonton from 1 to 2 p.m. each day.

The "Inside/Out" programs are dramatizations that deal with the day-to-day problems and emotions of children from the child's point of view. Some of the programs in the series were produced by the Ontario Educational Communications Authority in Toronto.

The first five programs produced were field tested in 10 sites in the U.S. and Canada. They were shown to 4,000 students in 150 classrooms. It is estimated that some five million children watched "Inside/Out" in Canadian and American classrooms during the 1973-

74 school year. The series in any one year, has a potential viewership of more than nine million children.

The Agency for Instructional Television is a Canadian-American organization established to strengthen education through television and other technologies. Dr. E. K. Hawkesworth, Alberta deputy minister of education is a member of the Board of Directors.

Women and Politics panel discussion

A panel discussion on Women and Politics will be held on Tuesday evening November 12 at 8 p.m. in the Tory Lecture Theatre, Room TL-22. The theatre is located on the corner of Saskatchewan Drive and 112 Street on the University of Alberta campus. The discussion will focus on the pros and cons of electoral politics as a strategy of change for women. The panel will consist of Lila Fahlman, Kay Anderson and Patricia Hughes. Lila Fahlman is active in the NDP and was a candidate in the Strathcona riding

during the last federal election. Kay Anderson is a member of Indian Women for Indian Rights, a group concerned with the issue of loss of status and treaty rights of Indian women when

they marry non-treaty Indians. Patricia Hughes is a local feminist with a Marxist-Leninist viewpoint, and she has been active in the women's movement since the mid-sixties.

This presentation is part of the current series, Talking About Women, sponsored by the Women's Program Centre and is open to all interested persons.

Medical executive named for hospital

The Sturgeon General Hospital reports that Dr. F. M. Fairfield has recently started a two year term as Chief of Staff. Other Medical Staff Executive for the 1974-75 term are:

President - Dr. W. W. Skrobo; vice president - Dr. A. Klein; secretary-treasurer - Dr. H. E. Albrecht. The six Clinical Department Heads are as follows: Department of Radiology - Dr. R. G. Hett; Department of Laboratory Medicine - Dr. T. A. Kasper; Department of Family Practice - Dr. A. Klein; Department of

Surgery - Dr. A. Prakash; Department of Pediatrics - Dr. W. D. Ramer; Department of Medicine - Dr. W. L. Read.

The hospital has at present 23 active medical staff and 50 consulting medical staff broken down into the various specialties.

Due to the steady increase in maternity cases (257 births so far this year compared with 204 for the same period last year) the need for a second Case Room (Delivery Room) has become apparent and plans are under-

way to convert one of the present labour rooms into a Standby Delivery Room for those occasions when two births occur simultaneously.

The new program of patient visiting by members of the Newcomers Club - "Sunshine Visitors" - has had a successful start and has been well received by patients and staff of the hospital. Two visitors begin work at 9:30 each Thursday morning in the Pediatric Unit and two others begin visiting adult patients at 1:30 p.m. on the same day.

Announcement

THERESE BOURGEOIS
Member of MLS Mission
Dollar Sales Club

JERRY VOYTILLA, Manager of Weber Bros. Realty Ltd., of St. Albert Branch, is pleased to announce that Therese Bourgeois achieved the highest sales for the first nine months of 1974. Therese would be pleased to discuss the current market with her many friends and clients. Call her at our St. Albert Branch, 29 St. Winston Churchill Avenue, PHONE: 459-6686.

Get ready for winter with this 14 point winter tune-up package.

Now's the time to tune up and be one step ahead of 'Old Man Winter'. And this Winter Tune-Up Package from Gulf is the way to do it. Parts and labour are included in

the price and it's all covered under the Gulf dealer guarantee of 90 days or 4000 miles, whichever comes first. So don't be left out in the cold, make an appointment today.

Here's what we'll do:

- 1 Ignition system analysis.
- 2 Lubricate heat riser valve.
- 3 Supply and install new points and condenser.
- 4 Supply and install new spark plugs. (Resistor plugs extra)
- 5 Adjust dwell angle and timing.
- 6 Adjust carburetor.
- 7 Inspect air cleaner element.
- 8 Examine positive crankcase ventilation valve.
- 9 Inspect all belts and hoses.
- 10 Test and service battery.
- 11 Check and record compression.
- 12 Examine rotor, distributor cap and high tension wires.
- 13 Test and record freezing point of radiator coolant.
- 14 Final ignition system analysis.

Lumber and Hardware

Long Distance charges coming off

In reply to his question this week, the Hon. Roy Farran, Minister of Telephones and Utilities, informed Ernie Jamison, M.L.A. for St. Albert, that call-by-call charges for long distance calls within a 30 mile radius of Edmonton will be eliminated, to be effective in November of 1975.

This will have a pronounced beneficial effect on the quality of life and the economic base throughout the MD of Sturgeon. "It is a

direct result of representations made by Mr. Jamison," said the Minister, "and in accordance with government decentralization policies."

The long distance charges have been a sore point with a great many people in the Sturgeon Municipality and the decision of the Department is certain to be a welcome one, despite the fact there is a year to go.

AT A RECENT annual meeting of owners of Ridgewood Terrace Condominium Corporation, Stephen Elliott, Jim Symonds and Peter Wood were elected for a two year term of office to serve with other members remaining for another year as the Board of Directors for the Corporation. The Board of Directors for the coming year are (from left rear): Communications Director Peter Wood, President Stephen Elliott, Bylaws Director Jim Symonds and (from left front), Secretary Mrs. Helen Young, Maintenance Director George Gardner and Treasurer Mrs. Cynthia Sage.

Bilingual story hour

Every Monday afternoon at the St. Albert Library children hear stories, learn songs and learn their numbers in both English and French, during the bilingual story hour from two until three in the afternoon.

The volunteers who have arranged the program are looking forward to seeing all their little friends back at the library next Monday afternoon.

Remember UNICEF on Hallowe'en

Don't forget about UNICEF this Hallowe'en and when the little goblins and ghosts come calling at your door contribute a little silver to help those children less fortunate than our own. Last year Alberta children were able to collect about \$71,000 to provide food and education as well as improved health for the children in 111 countries. Matching grants from the Alberta Government and C.I.D.A. increased every dollar to \$4.00 for use in developing countries. It is hoped that 1974 will see just a little more being raised for this worthwhile cause.

A few facts follow about the type of work that the dollars raised by the young UNICEF canvassers:

UNICEF assists 27 countries who have asked for assistance in family planning. UNICEF, working in close cooperation with UNESCO and ILO, is now assisting 61 educational and 10 vocational projects in 63 countries. Teacher training is an important feature of the educational projects.

UNICEF programs are helping to reduce some of the root causes of war, poverty, hunger, disease, and ignorance.

In India, drought affects 30 million people in distress. UNICEF provides aid and a quarter million dollars worth of hard rock drilling rigs and trucks along with trained drilling teams. By 1974 20 million will be dug.

An estimated 11 million infants and children suffer from severe Vitamin A deficiency which could lead to irreversible blindness. Over the years UNICEF has helped 263 milk plants and food factories in 50 countries.

Collecting for UNICEF helps countries help their children. Your coins join with their coins to provide food, health and school programs. The process all starts with your donation.

AROUND TOWN

Norman and Maureen Tate are happy with the arrival of a new little "rockstar" their camp" on Sheridan Drive. John Thomas Tate reported for training at 9:30 p.m. October 22, weighing six pounds, a brother for Kory.

Cure for Slugs

A reader brought in the following suggestion for St. Albert residents, some of whom have reported quite a number of slugs in their

gardens. It was originally published in a letter to the editor of the Rimbey Record in central Alberta:

OLD ENGLISH CURE FOR SLUGS

I was having trouble with slugs mentioned by some gardeners until an old English market gardener told me the mix:

Get one or two pounds of alum from your Drug Store and mix one pound to one gallon cold water.

Use a fine watering can. You may try 1/4 pound to a pint, as it is best when used up each time in small amount. You can also use the powder by shaking it around the plants. The water mix goes down the holes and gets the eggs and young.

I had my druggist get bulk alum for me at 15 cents a pound and it worked fine.

Oshawa, Ontario.

Ninety attend tourist association banquet

Ninety persons attended the Midnight Twilight Tourist Association Zone 14 Second Annual Convention banquet October 26 in Westlock.

Among those attending the banquet were the Minister of Agriculture Dr. Hugh Horner, MLA for Athabasca Frank Appleby and three mayors from the locality. They were Mayor Dick Plain of St. Albert, Mayor Jack Sturgess of Athabasca and Mayor Bill Staples of Westlock. Also at the banquet were Ben Ginter, president and founder of Uncle Ben Industries. (Breweries), Ted

Sample, executive director of the Yellowhead Interprovincial Highway Association and George Stephenson, executive director of Northern Woods and Waters Scenic Route.

At the convention, special guest speaker was Dr. Horner. Other guest speakers were Mr. Ginter, Mr. Sample and Marjorie Zingle, executive co-ordinator of the Travel Industry Association of Alberta.

Milt Lawrence of Barrhead was re-elected Association President and Leanne Penney was elected first vice

president and also secretary Bill Bannister of Faust was elected second vice-president. Mrs. Penny Olsen of High Prairie was elected as treasurer.

At the convention, the budget set for 1975 was \$35,000.

Garry L. Johnson remains secretary manager of the Association and the next meeting has been set for High Prairie. A date has yet to be fixed for this meeting.

Trolleys stage a clanging comeback

The "energy crunch" is making electric transportation look good again.

And some cities in America such as Portland, Oregon and Dayton, Ohio, are trying to bring back the street car.

But modern supercars called "light rail vehicles" will bear little resemblance to the clanky old models of the past.

The New York trams made so much noise they could be heard for blocks. But then the trolley craze began in earnest when electricity started replacing horsepower in the 1880's. Trolleys eventually dominated city life and by 1918 some 80,000 trolleys were clang-

ing merrily over 45,000 miles of track in the United States.

Trolleys took their name from the power source, two overhead electric lines. Electricity was collected by a small carriage, or "trolley" attached to a pole on a car roof.

The trolley eventually fell into disuse as buses and automobiles could weave in and out of traffic while the trolley remained tethered to its power source.

With the energy crisis however, the federal government in the U.S. is testing the idea of trolley-less trolleys -- electric cars drawing power from rechargeable flywheels instead of wires.

Flea Market comes to town

Mrs. Tess Beckingham has enjoyed flea markets in the city for the past three years and felt the people of St. Albert would enjoy their own. Response from local women she talked to was enthusiastic, so she has rented the St. Albert Community Hall for November 10 for the first of what is hoped will become regular Flea Markets every second Sunday in the hall.

Small antiques and collectible items of every description may be offered for sale at the many tables and stands of the market. Old records, books and many

different handcraft items, including Christmas decorations and hand made jewelry are popular features of such markets. Large items such as furniture are not accepted, the idea being smaller articles which can be displayed on tables.

The more variety, the more people enjoy it, said Mrs. Beckingham.

Local residents can rent space at a nominal fee by making arrangements with Tess at 459-5515. The Flea Market November 10 will run from one until five p.m.

JOKES

Barney: I've got a couple of things wrong with my car.
Joe: "What kind of troubles are they?"
Barney: "Well the engine won't start and the payments won't stop."

Panhandler: Could you let me have 50 cents for a cup of coffee?
Sidewalk stroller: Coffee is 25 cents.
Panhandler: Good. So be my guest.

LOCAL AUTHORITIES BOARD

IN THE MATTER OF "The Municipal Government Act";

AND IN THE MATTER OF "The Administrative Procedures Act";

AND IN THE MATTER OF an application by the Town of St. Albert, in the Province of Alberta, for approval to acquire an easement on certain lands situated in the Municipal District of Sturgeon No. 90, in the Province of Alberta, pursuant to the provisions of Section 127(4) of The Municipal Government Act.

NOTICE

Under date of September 23 1974, the Town of St. Albert, in the Province of Alberta, filed an application pursuant to the provisions of Section 127(4) of The Municipal Government Act, seeking approval of the Board to the Town taking an easement for a water line to traverse inside the municipal road allowance bounded between the South One Half of Section One (1), Township Fifty-four (54), Range Twenty-five (25), West of the Fourth Meridian and the North One Half of Section Thirty-six (36), Township Fifty-three (53), Range Twenty-five (25), West of the Fourth Meridian from the west boundary of the City of Edmonton to the east boundary of the Town of St. Albert, in the Municipal District of Sturgeon No. 90 by letter dated July 19, 1974, having refused unconditional approval to the acquisition.

TAKE NOTICE that the Local Authorities Board has fixed Tuesday, November 12, 1974, at the hour of 10:00 A.M. in the Council Chambers of the Town of St. Albert, St. Albert, Alberta, as the time and place for hearing the matter aforementioned.

It may be that you are a party whose rights will be varied or affected by the Board exercising its statutory authority in the matter and you are hereby notified that --

(a) at the time (November 12, 1974 at 10:00 A.M.) and the place (Council Chambers of the Town of St. Albert, St. Albert, Alta.) you may appear before the Board to make such representation on the matter as you may wish; or

(b) on or before 9 A.M. on November 12, 1974, you may file your written representation on the matter with the Board at its Edmonton office.

DATED at Edmonton, in the Province of Alberta, this 9th day of October, 1974.

T. J. LAUDER
ACTING SECRETARY,
Local Authorities Board,
#101, Revillon Building,
10201 - 104 Street,
Edmonton, Alberta,
T5J 1J2

Status of women -- Policy to be pursued

The Minister responsible for the status of women, Hon. Marc Lalonde, has announced his intention to devote a great deal of time and effort to bringing about the necessary changes in Canadian laws

and society so that women and men will both be able to participate fully in all aspects of life. The Throne Speech announced that the government is committed to introducing wide-ranging legislation to bring about equality for women before the law. Lalonde also in a speech stated that a number of initiatives are planned for International Women's year in 1975.

The amendment of the Canada Pension Plan to provide for equal treatment and the discriminatory provisions in a number of other Acts through the Omnibus

Bill on the Status of Women have been reintroduced and Mr. Lalonde stated his hope that these two bills would be speedily passed.

Mr. Lalonde announced that a new Citizenship act has been introduced which will enable children to derive Canadian citizenship from either their mother or father. He also announced that other changes, providing for equal treatment will be proposed to Parliament during the current session.

The Minister of Justice will be introducing amendments to the Criminal Code regarding trials for rape and

other sexual offenses. The amendments proposed would ensure that the details of an alleged sex crime and the name of the victim would not be used in the public press; encourage the greater use of the change of venue or location of the trial; encourage exclusion of the public from the preliminary enquiry and trial or at least portions thereof; and prevent, except in certain limited circumstances, the defense from attacking the moral integrity of the victim.

Mr. Lalonde referred to the question of coverage under the Canada and Quebec

Pension Plans for spouses who are not in the labour force. He stated that the matter is presently being studied by the Canada Pension Plan Advisory Board and the Advisory Board on the Status of Women. He stated that their reports may be ready this fall and he will be discussing them with the provincial Ministers of Welfare.

Mr. Lalonde stated that although legislation will result in improved conditions and equality for women, changes in thinking must occur before the status of women is consolidated.

AROUND TOWN

Rod Cockwill returned Sunday night from an eight-day stint in Casper, Wyoming where he was instructing a course for Commonwealth Drilling people. He enjoyed the chance to do a little exploring in the desert country and the temperatures ranging between 75 and 80 degrees.

Andy and Anne Kampen also did a little exploring in the Dapp area, although it was quite unintended. Heading for the United Church camp to pick up their son they managed to get lost and see quite a bit of new country.

Ray Cooper of Fenwick Crescent returned from a two-week visit to England reports that he had a great time there. After an absence of nearly seven and a half years he says that he did not realize that the trees were so tall there or the countryside so green. The pubs, always a favourite haunt seemed even better, some having added formal dining areas or discotheques. The gloomy economic reports were not apparent from the way money was changing hands in the stores or the pubs and vacant job situations were posted everywhere. He was not too impressed with the latest female fashions, the mini having all but disappeared and the weather was more rain than sunshine. Nevertheless, the people were friendly and warm and seemed interested and happy to learn of Alberta and its potential.

Film series to be shown here

The first in a regular monthly film series to extend over the winter months will be held Friday, November 8 at 8 p.m. in Sir Alexander Mackenzie School. The theme of the first film program, entitled St. Albert 1984! will be urban planning in St. Albert over the next 10 years, with five recent short films from the National Film Board of Canada on the topic. The films are designed to be cautionary

and revealing in their message to our Town and will be followed by audience discussion. Included in the discussion will be a panel of the new councillors will, make the evening a worthwhile experience.

The films included in the program are Citizen Harold, The Family that Dwelt Apart, Coldspring Project, Real Estate, and International Expansion, and deal with the topics of citizen group action, land development, and town planning, all current

local concerns. It is hoped that many interested and involved people, including the new councillors will, make the evening a worthwhile experience.

This program will be the first in a regular monthly series of film nights, tentatively scheduled for the first Thursday of each month. The series, called Cine Chataqua after the popular early century tent circuit, will provide a local showcase for recent short National Film Board films on

topics of current local interest.

The December 5th program will be devoted to Music and the Performing Arts in St. Albert. Subsequent programs after Christmas will focus on animated/experimental films, the Indian/Metis question, the teen-ager today, award winning films, and a genuine film happening.

Admission to the Cine Chataqua series is free.

Consumer tips can help you

The following are some more hints suggested by the Consumers' Association of Canada in addition to those published last week.

*If you are buying a home make the interim agreement conditional, i.e. "subject to the approval of my lawyer". If you sign before consulting a lawyer.

*Wish to pay off your mortgage now? The Canada Interest Act states that any buyer may prepay a mortgage after five years with an additional three months

interest as "penalty." Does your mortgage agreement suggest otherwise?

*Credit can be a blessing or a pitfall depending on your ability to use it wisely. No matter which it is expensive. If your local corner store or service station cheerfully grants you credit for brief periods without charge be grateful. There is little doubt that the owner is rarely granted the same favour.

*There are thermometers inside both "hot food" and

refrigeration units in your supermarket. Federal health regulations require that cold foods be stored below 40 degrees Fahrenheit and hot foods be held at temperatures greater than 140 degrees. If not, the food you purchase may harbor harmful bacteria. Check occasionally for all our sakes.

*The Consumers' Association of Canada is investigating the flammability of children's sleepwear. For the past two years all sleepwear up to size 6X is covered by a set standard. If you have had a problem with your child's sleepwear or have found that the standard for the lower sizes definitely helped avoid an injury due to fire in your home please write to "Sleepwear" Consumers' Association of Canada, 801-251 Laurier Avenue West, Ottawa, Ont., K1P 5Z7.

Information of interest to consumers may be obtained from the Edmonton Branch of the CAC at 436-1230 or Sharron Chatterton, publicity chairman on 434-9065.

20,000 pennies in penny race

SOME OF THE youngsters at the Lorne Akins School with the 20,000 pennies their school had collected for an adopted child in Korea.

YOUNGSTERS FROM the Lorne Akins School put another column of pennies down in a penny race last Wednesday. The proceeds will keep an adopted child in Korea for one year.

At first it seemed like total confusion.

There were 20,000 pennies on the floor, a supervisor with a microphone trying to make order out of chaos and hundreds of students foraging on the gymnasium floor.

But for the Grade Seven, Eight and Nine students at the Lorne Akins Junior high school there was a purpose in all the confusion there October 23.

Students' Union Advisor at the junior high, Gerry Buccini said that students had been bringing pennies to the school for 15 days and today was the great day of the "Penny Race."

In fact what the students were doing was quite simple. As each grade competed against the other in the race, they put down a line of rulers or straight edges in the crowded gymnasium, then proceeded to line up their pennies in a straight column against the rulers until they ran out of the coins. The grade which put down the longest and straightest column won each heat and there were several during the course of the one and a half hour event. The contest

eventually ended as a tie so there were no broken hearted losers at the finish.

Most of the students left the gymnasium after the race, but a few collected the pennies into tins and took them to their home rooms. \$200 worth of pennies were collected.

After the penny race Mr. Buccini said the students at the school had decided last year for a more humanitarian approach to students union activities and they decided to adopt a 12 year old Korean girl. This year they decided to carry on with the good work and thought a penny race would be a good way of raising the funds to help look after the girl.

There are 440 students at the Lorne Akins School and it looked as if most of them were busy on the day. There were no limits to race participants and sometimes there were 25 students on a line. Mr. Buccini pointed out the students did have to race under a time limit which made it all very exciting for both the participants and those who were watching the contest. In fact at the end of each heat, depending on

which class won, a great cheer went up adding to the general pandemonium.

The penny race ended with rewards of chocolate turtles being donated by the Students' Union to representa-

tives of all three grades who took part in the contest. Meanwhile the \$200 will eventually find its way to Korea to pay for the upkeep of the school's adopted child.

SWEEPING UP pennies from the Lorne Akins gymnasium floor after each heat in the penny race were from left Rod Keen, Val Gaetz, Frans Opderhyde and Susan Koch.

TWO BOXES of turtles was the reward given to Grade 7, 8 and 9 classes for collecting \$200 in pennies for an adopted child's upkeep in the next year. In the picture from left rear, at the Lorne Akins Junior High School are: Mrs. L. Cameron, a Grade 8 teacher at the school, Ian Robertson, Grade 8 student, Grade 7 teacher Mrs. M. Stephenson, and Grade 9 teacher Mr. P. Dukovac. From left front are: President of the Students' Union Frans Opderheyde, Grade 7 student Cliff Black and Grade 9 student Thorea Eyford.

AN INTERESTING CROWD of spectators take in the penny race at the Lorne Akins School last Wednesday.

The Ladies Auxiliary to the Sturgeon General Hospital elected a new executive at their meeting Monday evening. Laurel Thronson and Lauretta Cady, 1st Vice Presidents are at left with Doreen Williams, Correspondence Secretary, President Mary Bondarevich, Odile Leeburg, Treasurer. At right is Lois Fahl, Manageress of the Gift Shop. Not in the picture are Helen Young, 2nd Vice President and Winnie Gaetz, Recording Secretary.

\$4700 for hospital machine

Members of the Sturgeon General Hospital Auxiliary voted at a recent meeting to purchase a Colter Counter for use in the hospital laboratory. A Colter Counter

is a mechanical device for counting blood cells. This job is presently done manually for all patients entering the hospital and the machine will mean economies in staff time and ensure less chance of error.

The Auxiliary will donate \$4,700 to the hospital for the purchase of the machine. This money was raised by various projects such as the Shamrock Festival, the Spring Ball, the Next-to-New Sale and sales from the gift shop in the hospital foyer.

Leo Nickerson adopts 'house' system

Mr. Frank Carnahan, principal of Leo Nickerson School, has made several progressive changes on taking up his appointment at the school, the most significant being the introduction of school assemblies and the house system.

Both of these features are designed to inculcate students with a sense of belonging. Students, especially the

smaller, younger children, become more aware of being a member of a large school family because of the school get together at assembly each Monday morning. Over 450 children gather for a brief formal ceremony followed by a sharing of individual or class presentations and school announcements before moving on to regular classes.

In addition, the house system promotes a sense of belonging to a branch of the school family. The new, comprehensive grade 1 student is linked by a common bond with an older student by virtue of being a fully-fledged member of the same house, be it Aquarius (Blue), Gemini (Yellow), Scorpio (Green) or Taurus (Red). Mutual assistance within each house and friendly competition between the houses engenders the school spirit.

While these school features are common in other areas of the world, notably in the United Kingdom where both are traditional parts of school life, Mr. Carnahan is to be commended for bringing them to Leo Nickerson and by so doing, enriching the educational experience of the children who attend his school.

Nobel Prize winner to present Boomer lectures

Dr. Gerhard Herzberg, a 1971 Nobel Prize winner in chemistry, will be the guest speaker for the University of Alberta's Boomer Memorial Lectures.

The lectures, Nov. 4 - 7 will be held at 11 a.m. in Rooms V107 and V121 of the Physical Sciences complex on campus.

These four lectures are a memorial to the late E. H. Boomer, a professor in the department of chemistry at the University of Alberta from 1925 to 1945. The series was initiated in 1959 and in each succeeding year a different speaker has lectured throughout a one-week period.

Dr. Herzberg's opening lecture, "The Space Between the Stars," will be presented in Room V107. It will be followed by "Spectra and Structures of Molecular Ions" (Room V121); "Experimental Tests of the Quantum Theory of Molecular Hydrogen" (Room V107); and "Radiationless Decomposition Processes in

Chemistry and Physics" (Room V121).

There is no admission charge for the lecture and the public is invited to attend.

Still time to take out spook insurance

You have just over 24 hours to take out Spook Insurance against Hallowe'en.

Last week you may remember we ran a picture in the Gazette featuring two members of the St. Albert Movers, President of the Movers Lorraine Belterose and the club's Vice-President Susan Schuchard.

They have been selling spook insurance all week at a dollar a policy.

Unfortunately in the story on Spook Insurance last week we did not include the phone

numbers for the St. Albert Movers.

If you want to take out Spook Insurance give them a call at 459-6734 or 459-3655. There's still time to protect yourself from the bogoblins of Hallowe'en.

You might also like to be reminded that the money for your spook insurance will go to social, cultural and economic projects for the youth of St. Albert and also such projects as holiday community volunteers.

Parent interviews Lorne Akins

Parent-Teacher Interviews will be held at Lorne Akins Junior High School Tuesday and Wednesday evenings, Nov. 12 and 13, and Thursday afternoon, Nov. 14.

We are looking for Parent Volunteers to come into the school for a few hours on a regular or occasional basis to perform clerical tasks in the office, the library and in some classrooms. Anyone interested in

helping should call the school (459-5516) and leave your name.

We are also asking for interested parents to serve on the Parent Advisory Committee. This committee provides a two-way communication link between the home and the school. An invitation is extended to those who served on the committee last year as well as any other parents who would be interested.

School theatre workshop has special teacher

SEEN HERE learning the art of stagecraft at a theatre workshop in St. Albert High last week are (left) Lori Bezenar, 15, and Diane Noel, 17, of St. Albert. Showing them how to make a rise for the stage is Wilf Rowe, former technical director of the Citadel. Mr. Rowe had just come up from a drama seminar at Olds sponsored by the Provincial Government.

The St. Albert High Theatre workshop had a very special person teaching them the basics of stagecraft last week.

Eighteen persons from the school and the St. Albert Drama Club took in the two night course October 22-23 in the Industrial Arts room at the High School given by former technical director of the Edmonton Citadel Wilf Rowe. Thirty-four year old Mr. Rowe hails from Gim-

Murray to carry out a similar workshop up there.

Mr. Rowe was technical director for the Citadel for the first three years of its opening. He received his early training as an actor in amateur theatre in England and has also worked in San Francisco, Toronto and Boston. He has had experience

as a stage manager at the New Theatre in Bromley, Kent, England and did work on the set for the Broadway production of Jesus Christ Superstar.

Mr. Rowe has just come up to St. Albert after working with a drama seminar in Olds for the Provincial Government.

Over 60 guides at St. Albert training session

TWO OF THE Guides at the Girl Guides of Canada (Tamarac area) training session at the Albert Lacombe school last Saturday. (from left) Louise Rasmussen and Evelyn Fraser with a model camp made from scraps like cardboard, matchboxes and cigarette packs by Brownies in the Tamarac area. Models like these will be used to show other Brownies how to make interesting items from scrap materials.

Over 60 Girl Guides of the local Tamarac Area of the Girl Guides of Canada took in a thorough training session on guide leadership at the Albert Lacombe school last Saturday.

Those at the training session learned how to pass on information to other guides about various Girl Guide ceremonies like "carrying the flag," "flying up" (setting wings as in the Air Force) and in general the art of being prepared.

The guides came from as far as Slave Lake, Barrhead, Redwater, Stony Plain, Bon Accord, Legal, Morinville, Gibbons, as well as St. Albert to take in the day long training session.

Area Training Co-ordinator Linda Whittle of St. Albert gave those attending the course information on campfire planning and guide games and songs. Guides

Rene Yeats and Lou Garrett, both of St. Albert gave a short course in mid-ceremonials and the Deputy Area Commissioner Pauline Van Geels of St. Albert gave details of the "Blue" introduction program. McKenzi District Commissioner for St. Albert, Joyce Smith, gave an introduction to Brownie ceremonies, and Guide Anne Lavery and Priscilla Elliot both of St. Albert outlined the basic Brownie Guides program.

Tamarac Area Commissioner Wref O'Hara outlined local association training which concerns itself at motivating Guides and Brownies in fund raising projects in the community and taking care of badges for achievement courses.

Brown Holiday advisor for the Tamarac area, Louise Rasmussen of St. Albert, outlined a course in scrap crafts with many examples of work from local Brownies.

Area camp advisor Evelyn Fraser of Gibbons was on hand to give information on camping in the locality.

Deputy Commissioner for the Grandin District of St. Albert, Pam Mykityshyn talked about badge training, and Captain for handicapped guides Anne Sergeant gave information on Treasurer training.

Area Training Co-ordinator Whittle said she extended her thanks to those who helped organize and co-ordinate the training session.

SOME OF THE crafts made by Brownies of the Tamarac area.

PUBLIC NOTICE

THE SCHOOL ACT, 1970 (Section 7)

BY-LAW NO. 5/74

By the Board of Trustees of the St. Albert Protestant Separate School District No. 6 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the St. Albert Protestant Separate School District No. 6, of the Province of Alberta, that the additional sum of One hundred and sixty thousand DOLLARS (\$160,000) should be borrowed on the security of the said District by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than twelve per cent (12%), for the purpose of supplementing the increased cost of:

- landscaping Site at an estimated cost of \$20,000.00
- erecting a Frame and Masonry Community Core School to consist of: 6 general classrooms, 1 Early Childhood Service Facility, 1 Science Experience Classroom, 1 Ancillary Classroom, 1 Library 1 Gymnasium (2-Station), 1 Stage; Administrative Centre consisting of 1 Principal's Office, 1 Vice-Principal's Office, 1 Counselling Area, Secretary and General Administration Area, 1 Administration Conference Room; Staff Centre consisting of 1 Staff Common Room, 1 Staff Work Room, Staff Lavatories; plus 1 Gym Storage Room, Physical Education Offices, Shower and Dressing Rooms, 1 Infirmary, 1 Lunch-Study Room including Kitchen facility; plus provision for a "plug-in" of another 8 classrooms; at an estimated cost of \$752,000.00 including Architect Fees and water supply and sewage disposal system.
- providing furniture and equipment at an estimated cost of \$45,000.00
- in the Lacombe Park Subdivision of St. Albert.

all of which have been authorized under Order No. 6834, Issued by the Local Authorities Board, dated 8 March, 1974.

WHEREAS DUE TO INCREASED CONSTRUCTION COSTS AN ADDITIONAL AMOUNT OF ONE HUNDRED AND SIXTY THOUSAND DOLLARS (\$160,000.00) IS REQUIRED TO COMPLETE THE AFORESAID PROJECT.

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the electors of the said School District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

CHARLES SCHPODER, CHAIRMAN

Dated at St. Albert this 9th day of October, 1974.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BY-LAW IN A DISTRICT - (Sections 7 (e), 3 and 104 - The School Act, 1970)

"Elector" for the purposes of petitioning for a vote on a debenture by-law means a person:

- 18 years of age or older,
- who is a Canadian citizen or British subject, and
- resident, in the case of petition, in a district or division for at least the 12 months immediately preceding the day on which the petition is presented.

A poll respecting the aforementioned borrowing may be demanded in a School District Division by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2 (E), 3 and 104 of The School Act, 1970. The petition must be signed by at least:

- 2 per cent of the electors in a district or division having 10,000 electors or more, or
- 5 per cent of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
- 10 per cent of the electors in a district or division having less than 5,000 electors but 500 electors or more, or
- 15 per cent of the electors in a district or division having less than 500 electors, and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

Nutrition discussed at Edmonton Seminar

The fifth annual General Practice Seminar held October 17 at the Edmonton General Hospital had for its major topic the subject of nutrition and the problems related to it.

Dr. Z. I. Sabry, an authority on nutrition, and guest lecturer at the seminar stated with concern that, "Canada's real energy crisis is

calories." The national coordinator of the Nutrition Canada survey, Dr. Sabry cited some alarming survey findings. He pointed out that 50 per cent of Canada's total population is overweight and poor quality diets are prevalent across the country at every level. He also noted that iron deficiency and obesity are the worst

overall nutrition problems in Canada today.

The Nutrition Canada survey is a four year study and is presently being analyzed and important recommendations made. The report shows that immediate efforts must be undertaken by both federal and provincial governments to properly educate the public in good

eating habits and the necessity of more physical activity.

The problem is identified as being the result of our lifestyle which is geared to ease and convenience. The ability of the human body to regulate thirst and appetite is lost if a moderate to high level of physical activity is not maintained. There are immediate and long-run benefits in physical activity which our present way of life tends to de-emphasize. It is very evi-

dent that a need for education and training exists. Consumers should be taught how to eat properly, reducing their food costs by eating and buying wisely. It is felt that the dangers of improper diet and lack of exercise must be kept in mind in order that one may stay healthy and live a longer life.

The Canada Food Guide has been found to be less applicable today than it was at the time it was drawn up in the 1940's, as a cue to

war rationing consumers who had to purchase wisely to conserve and consolidate the food that they had.

Nutritionists recognize the revision of the Canada Food Guide is long overdue and they are aiming to take steps to provide better information for the contemporary consumer. It is interesting to note that in Alberta obesity is recognized as a condition to be treated under the Alberta Health Care schemes as an integral part of health care.

Hallowe'en puppets at the library

The St. Albert Public Library will present its annual Hallowe'en Puppet Show this Friday, November 1st in the Annex adjacent to the Library. In order to accommodate everyone comfortably there will be two shows, at 4 o'clock and again at 6 o'clock. Each show will

last approximately 45 minutes.

The popular Muppets will be on hand to celebrate Hallowe'en and in addition, the current puppetry class from the local Arts and Crafts Guild will present a short experimental puppet show with life size ghosts and

ghouls. Members of the class include: Gwen Grant, Colin Robertson, Caroline and Christine Schuman, Linda and Laura McLaughlin, Janice Root, Andrew Aikman, Michael and Cameron Munro, Robert and Donald Wade, and Mary-Lou Lukay. Admission is free.

Mayor Dick Plaln officially opened the Edmonton Central Hockey League last Friday night in St. Albert between the St. Albert Comets and the Westlock Eagles. Comets won the game 6-4. Comet president Claude Constant watches the respective captains Wayne Rimmer (left) and Richie Perrault get set for the face-off.

Comets off to good start, win both games

Mayor Dick Plaln officially opened the 1974-75 Edmonton Central Hockey League last Friday in St. Albert and the Comets responded with an exciting 6-4 win over Westlock Eagles before a large crowd.

Comets then travelled to Stony Plain on Sunday afternoon and came up with a 7-3 win for their second in as many starts.

On Friday night, last year's leading scorer for the Comets, Harvey Kirkland took passes from Perry Pearn and Jim Stewart to beat Eagle's goalie Paul Provencal at the 2:46 mark of the first period. The goal came on the power play with Mickey St. Arnaud sitting out a hooking call.

Westlock tied the score at 9:05 when veteran Len Haley beat Comet goalie Zane Jakubec from close in on a deflection.

Comet captain Richie Perrault put Comets ahead 2-1 at the 13:41 mark with a backhand shot from close in that Provencal had no chance on. The goal was unassisted as was St. Albert's third goal that came at 19:45 when Bert Fizzell won the faceoff and drilled a low shot past Provencal. Comets controlled most of the period and had it not been for some excellent saves by Provencal, the score could have been much higher. Jakubec also had some good saves in the period.

Both teams picked up two minor penalties each in the opening 20 minutes.

PERRY PEARN

Comets dominated the second period and scored the only two goals as Paul Fatjewski scored from Pearn and Paul St. Cyr at 13:29 and Pearn from Kirkland and Brian Stevens at 14:17. Richie Perrault and Westlock's Wayne Rimmer were ejected from the game at 15:41 for fighting. The new rule calls for immediate ejection from the game for any fighting penalty this year.

While Comets Jim Stewart was sitting out a high sticking call, Gary Hutan scored a power play goal at 1:45 to put Westlock back in the game. Paul St. Cyr took a high sticking penalty at 5:44 and one minute later Hutan scored his second power play goal and reduced the Comets lead to only two goals. Both goals were scored on Comet goalie Barry Richardson who replaced Jakubec midway through the second period.

Kirkland and Pearn teamed up again while both teams were playing a man short and Kirkland scored on a screen

HARVEY KIRKLAND

shot that Provencal did not see. The goal came at 10:45 and gave St. Albert a three goal lead again.

With less than three minutes to play in the game Pete Provencal scored on a contested shot for the final goal of the game and gave St. Albert a 6-4 win.

Westlock picked up 14 penalties while the Comets were assessed 15. Provencal was called on to handle 55 Comet shots while the combination of Jakubec and Richardson stopped 35.

In the game at Stony Plain on Sunday afternoon, Comets scored four goals in the first period and went on to win 7-3.

St. Albert goal scorers were Brian Stevens with a pair and singles from Kirkland, Pearn, Wally Monson, Len Fasko, and Dwayne Klassen. Barry Campbell scored a pair for Stony Plain while Mel Gushatney scored the other.

Comets next home game will be this Friday when Stony Plain will be here.

Penalties Very Costly

Stupid penalties are proving to be very costly to the Junior Bruins hockey club as both of their losses came as a direct result of allowing the opposing team the power play advantage.

The 5-2 loss to Waterloo Mercurys a week ago saw the Mercurys score three power play goals and the teams 6-5 loss Sunday in St. Albert to Leduc Riggers was also a result of penalties. Leduc trailing 5-3 with less than four minutes to play in the game scored two power play goals and added another while both teams were short for a 6-5 win.

Bruins have picked up a total of 51 penalties in only four games and if it keeps up they will not win too many games this season.

The team also with other junior teams in Alberta are looking towards leading their respective leagues as of December 15 so that they may represent Alberta in the Canada Winter Games Dec. 27, 28 and 29. All wins at this time of year are very important and some of the Bruins should change their attitudes if the Bruins are going to participate in the Games.

Last Sunday the Bruins jumped into a 3-1 first period lead and had control of the game even though they took three of the four penalties called. Doug Ferguson, Bob Pearn and Mike Pierce scored for St. Albert while Kevin Wakeford replied for Leduc. In the second period both clubs split a pair of goals and gave Bruins a two goal lead going into the final period. Pearn added his second while Mike Chupka scored

GERRY VANTHUYNE

ALEX JENSEN

red for Leduc. The third period was all Leduc's as they outscored the Bruins 4-1 and went home with a gift of two points that the Bruins should have easily had.

Bruins entered the third period with a 4-2 lead and saw Leduc score early in the period to reduce their lead to a single goal. Bruins Gerry Vanthuyne gave St. Albert a two goal lead at the 16 minute mark and appeared to be enough for the win. Bruins defenseman Alex Jensen took a double minor infraction for roughing at 17:55 and before he had finished

shed his time Leduc scored a pair of power play goals and won the game 6-5.

Bruin goalie Cary Winquist played very well in the nets and faced some 55 shots.

Another problem the Bruins have at the moment is an excess of players as they still have some 23 or 24 still on the team. Coach Ken Schwartz will have to get down to a respectable roster so that the lines will be able to play together.

Bruins next home game will be Sunday, Nov. 10 when Fort Saskatchewan will be here.

Bantam BB Hockey Here Sunday

The St. Albert Fire Chiefs double B bantam hockey club will play their first game in the new Central Alberta Bantam Hockey League in St. Albert Sunday afternoon against Camrose. The game will start at 4:30 p.m.

The Fire Chiefs, under coach Doug Millroy, will play a 24 game schedule with teams from Fort Saskatchewan, Drayton Valley, Red Deer, Camrose, Leduc and

Wetaskwin.

All of St. Albert's games will be played Saturday nights and Sunday afternoons with the exception of Wednesday, Nov. 20 when they will be in Leduc. Upon completion of the season the playoffs will pair the first and fourth place teams in one series and the second and third place finishers in the other.

Carma Developers football team in finals

St. Albert's bantam football team sponsored by Carma Developers Ltd., advanced to the finals of the Edmonton and District Bantam Football League Saturday with an exciting 13 - 6 win over Great West Steele of Sherwood Park. Carma will now meet Canada Safeway this Sunday at 2 p.m. at Kinsmen Park for the City championship.

Coach Rick Suggitt is looking forward to this game as Canada Safeway are the only team to defeat St. Albert this season. That was the second game of the schedule and the 20 points Safeway came up with are the only points scored in league play all year against St. Albert. St. Albert shutout six of seven teams this season which has to say a lot for their defence.

JOE TWOREK

On Saturday the two McCann boys scored St. Albert's only touchdowns while Peter Tworek got a single on a wide field goal try from 35 yards out.

Both touchdowns came in the first quarter and both were fairly long runs. Paul McCann ran around end for

60 yards while Brian McCann scampered 30 yards for his major. The half time score was still 12 - 0 for St. Albert. There was no scoring in the third quarter. Early in the fourth quarter Peter Tworek tried a 35 yard field goal and was long enough but was a little wide and it went for a single. Peter Tworek also intercepted two starry passes to stall a couple of good scoring drives by Sherwood Park.

Coach Suggitt feels that if the team plays as well this Sunday they will win the championship which would be quite an accomplishment. St. Albert has only been in the league two years.

Football fans that would like to see a well run squad are asked to come out Sunday and cheer the boys on to victory.

Referee Jim McFall heads to the penalty box late in the second period to hand out fighting penalties to Richie Perrault of the Comets and Wayne Rimmer of Westlock following a scuffle at centre ice. Comet players in the picture are Randy Clark (15), Danny Towple (12), while Eagles Leo Provencal is coming over to the referee to check the call. Comets won the game 6-4.

St. Albert Nordic Ski Club

Here we are again cross country ski lovers. Our general meeting is November 5 at the Percy Page Centre at 7:30 p.m. If fresh air and

nature interests you, come and find out more about cross country skiing. This short meeting will feature information and a display con-

cerning selection and purchase of equipment and clothing.

Memberships will be available: \$5 per family, \$3 single adult, \$1 student. The club offers activities for all age groups at their own pace. Come help us make St. Albert a great cross country skiing area. Let it Snow

Men's Commercial League Starts Thursday

The St. Albert Men's Commercial hockey league will start its fourth year Thursday night when the Teachers will face the Warriors in

the opening game. Game time is set for 10:30 p.m. as are all other league games. On Friday night the St. Albert Gulf Service will meet

the Progress Club and on Monday, the Gazette Flyers will play Midland.

The Teachers are the defending champions having defeated Gulf in the finals last year.

A.B.A. Coach of the year

Mr. Les Long, president of the Alberta Baseball Association advises that nominations for Alberta's coach of the year should be sent to Mr. Delmar Glaser, A.B.A. Secretary-Treasurer, 506 - 11 Street, S.W. Medicine Hat Alberta. Nominations will close November 8, 1974.

The Ted Rudd Award is not made solely on the coaches ability to win, Mr. Long stressed. "Strong emphasis is placed on sportsmanship and his attitude toward his team, his opponents and to the officials." The winner will be announced at the A.B.A. annual meeting in St. Albert, December 1st at the Percy Page Centre.

Player Profile...

DARREL BILLSTEN

Darrel Billsten, a hockey player with the St. Albert Sportshop Barons midget team last year has been playing very well with the Vernon Vikings of the B.C. Junior Hockey League this year. Darrel has played in 14 games and has averaged a point a game. Other teams in the eight-team league are Chilliwack, Penticton, Merritt, Kelowna, Nanaimo, Bellingham and Langley. Vernon are the number one farm team of the Medicine Hat Tigers of the Alberta Major Hockey League and no doubt will take a look at Darrel before the season is over.

Junior Hockey

All Junior age hockey players living in St. Albert and not playing on the Junior Bruins team wishing to play hockey in the Kinsmen Juvenile League are asked to please register as soon as possible at Town Hall Recreation office. The Kinsmen are trying to make up a third team for house league play and registration is only \$15 for the entire year.

BOAT RACES

The second annual Sturgeon Valley Senior Hockey League "Boat Races" will be held Saturday, November 16 at the Morinville Recreation Centre. Namo will be back to defend their title as will all other clubs in the league to try and win the prestigious event. The first race is scheduled for 9:30 p.m. Tickets are only \$12 per couple and includes dan-

cing to the Twitters, supper and refreshments. The event was a complete sell out last year so get your tickets from any team member early.

WEAR A POPPY

Welcome your volunteer Canvasser, Saturday, November 2nd.

Remembrance Week is proclaimed November 4 to 11 and the St. Albert Branch of the Royal Canadian Legion will conduct a one-day campaign to distribute poppies to all citizens.

SATURDAY - NOV 2nd.

Royal Canadian Air Cadets and Army Cadets will be canvassing door to door and in shopping centres. The Ladies Auxiliary to the Legion will visit all schools during the week ending November 8. Proceeds from the Poppy Drive are directed solely to the St. Albert Legion Poppy Trust Fund, used only for the alleviation of distress among veterans, their widows and children.

Youville Auxilliary has fine success with Bazaar-Tea

The Youville auxiliary was the scene of a most successful tea and bazaar on Sunday afternoon, Oct. 27,

a yearly project of the Youville Auxiliary.

From door opening time at 2 p.m. until closing at

5 p.m. sales were brisk at each and every booth. A Fish Pond was well patronized by the many kiddies in attendance. The tea-

rooms, too were crowded most of the afternoon, keeping the ladies there very busy.

Father Jake Joly made the draw for the first raffle. Mr. Dohlanko of 47 Birch Drive, St. Albert, was the lucky winner of the oil painting. Natalie Bodard, eight years old in Montreal, held the winning ticket on the second prize, the \$50 Money Doll. Kathleen Odtlefson, president of the Youville Auxiliary, drew the tickets for the second raffle. Mrs. Frieson of 4 Carland Drive, St. Albert was the very pleased winner of the knitted rug. The second prize was won by Ceelle Brisson of Irberville, Quebec - a visitor at the Home during the summer. To all these happy winners sincerest congratulations!

Mr. Dubuc volunteered his time, setting up his easel on the second floor where he did portraits in charcoal of a goodly number of patrons during the afternoon with very pleasing results. Many thanks to Mr. Dubuc for his

kindness.

We owe appreciation to so many - to the ladies who poured tea and served in the tea-rooms, to Pauline Vaugoules and the Girl Cadets who worked so willingly at the bazaar booths, to all who supported the raffles and to our many friends who answered our pleas for bazaar donations.

A special warm "thank you" is extended to the patients at the Home who bought tickets, worked and made contributions to the bazaar tables. The members of the Youville Auxiliary and the Sisters of the Home, offer all of you our grateful thanks.

The proceeds realized will enable us to carry out the

many plans we have for the year in providing entertainment and all those little extras for the residents of the Home, which are so much appreciated by them.

Community Hall grants

Community Hall improvement grants totalling nearly \$13,000 to be shared by a number of communities in the St. Albert constituency were announced this week by MLA Ernie Jamison.

Communities benefiting under the program are St. Albert with a \$2,000 grant for the community hall and Ben Accord with a similar amount for its community centre.

Two thousand dollar grants have also been announced to the Vimy Community League, the Ivan Franko Educational Society of Legal and the West Sturgeon Agricultural Society, Calahoo.

A grant of \$1,260 was made to the Echo Hill Women's In-

stitute Hall, Picardville and a grant of \$900 was also made to the Picardville Community Association.

The latest grant announced under the new program totalled \$750 and was awarded to the Meane Community Association, Alcomdale.

The grants have been made by the Department of Culture Youth and Recreation to improve the quality of life in the Province.

Those who would like to take advantage of this funding program and have not already done so should contact Mr. Jamison at 458-2340 or 429-4631.

The Provincial Government has reminded these communities receiving the grants that their project

must comply with all municipal bylaws and all applicable provincial and federal requirements and ordinances.

French playschool

At a recent meeting in Mission Park Clubhouse, a group of interested parents met to form a committee which will assist in the operation of the French Playschool "Les Tournesols" opening in the very near future.

On the education committee and originators of the playschool are Mrs. Florence Lefebvre who will be leading the children and Mrs. Lorraine Hebert who is a director. Both having put forth great effort in helping to realize this project.

The following were elected to the executive: Mrs. Jeannette Symabuk, president; Mrs. Joanne Noel, secretary and Mrs. Kate Gale, treasurer.

Vimy News

By Darlene Provencal

Sr. Fleurette Gibeau was very pleased to have her sister, Mrs. Blanche Fisk, visit for a few days from Vancouver.

Congratulations to Ed and Claire (nee Limoges) Victor, who were married in Picardville last week.

Several residents from here attended a pre-election party at Leo Maurer's in Legal for Mr. Ernie Jamison, who will be running for M.L.A. The nominations are to be held on November 7 in Morinville.

Mark your calendars - the date for our annual chicken supper has been set for Sunday, Nov. 24.

The community wishes to welcome Mrs. J. A. Limoges, who is now making her home with her son Mr. Roland Limoges and his family.

The cabaret held on Oct. 25 was a great success. Thank you for coming out and supporting our community league. We hope you

all had a good time.

Get well wishes are being sent to Mrs. Gertrude Despins, who has been hospitalized this week.

Congratulations to Denis and Patty Boruazak on the arrival of their little daughter born on October 25, weighing 6 lbs. 10 ozs.

Kids don't forget the hall-oween party to be held on October 31 in the hall at 7 p.m. sharp. Games have been organized. Remind Mom that she's to bring a bag of treats.

Due to lack of information last week I was unable to mention all the students names who either graduated or received awards. I would now like to congratulate those four young men, namely, Mike Kallal, Robert St. Arnaud, Paul De Champlain and Clement Blanchette who graduated in Legal. Winning awards were Mariette Laplante, a silver medal, and Elizabeth Lussion, a silver medal and a \$10 CWL certificate. Keep up the good work students.

Namoo 4H Beef Club

By Teresa Engley

The Namoo 4H Beef Club had its reorganizational meeting on October 22, at the Sunnyside Hall. The club this year has 12 members and our first pee-wee member, Mark Berger.

An election of officers was held and the new slate is as follows: President - Wendy

Bowman, vice-president - Terry Vaculchuk; secretary - Kathy Berger; treasurer - Will Mitchell, club reporter Teresa Engley; Sturgeon representative - Will Mitchell, Beef Club representative - Gary Kluss; project leader - Tim Sweetnam; lunch committee - Cathy Carruthers; entertainment committee - Terry Vaculchuk.

Doug Bowman is our leader again and Tom Bowman is our junior leader and assistant leader is Don Sweetnam. Our next meeting will be held at the Berger residence on November 12, 1974.

Morinville could be next to go with volunteer ambulance service

Morinville could be the next community in the MD of Sturgeon to spearhead a volunteer ambulance service following the lead given by Bon Accord.

The Morinville Board of Trade has recently shown much interest in starting such a project which would mean cheaper and more efficient ambulance service for victims of accidents in that part of the MD.

Superintendent of #634 Sturgeon Combined Division St. John Ambulance Brigade Nigel Mansfield of Bon Accord met with the Board of Trade in Morinville this week to round up support for the service.

He said that Morinville was all fired up and ready to go and would need about 10 volunteers to cope with the call rate for the area.

Mr. Mansfield is hopeful

that Morinville is sufficiently taken with the idea to get together and find ways of financing it.

Vice-president of the Morinville Board of Trade Gerry Schindeler said this week he expects it will be confirmed at a regular Board of Trade meeting Nov. 4 who will be invited from the community to give their input into the town's volunteer ambulance service.

The second annual West Sturgeon Agricultural Farm Sale and Auction went very well in Calahoo last weekend with a good crowd picking up many good buys. Auctioneer Eddy Walker (plaid coat) was kept busy all day and turned in another good performance.

Thank you

To everyone in Division 4 of the M.D. of Sturgeon for the generous support you gave at the polls on October 16.

Many thanks to those who nominated me, gave generously their time and effort on my behalf. Your kind assistance is most greatly appreciated, and I sincerely thank you all very, very much.

GLENN BERRY.

Villeneuve

By Margaret Borle

We are pleased to report that Mrs. Jim Keak who was in the Sturgeon General Hospital is now home.

Mr. Armand Gauthier who was also a patient is also now at home.

Father Cunningham is on an extended visit to his Irish homeland. We hope that he will have a very enjoyable reunion with his family and friends.

The sympathy of the dis-

trict is extended to Mrs. Laura Boddez and family and to Mrs. Melvina L'Hirondelle and family. Both families were bereaved of their husband and father recently.

Congratulations to Brian

and Yvonne Keak on the birth of their daughter Leanne Yvonne. Father Bernard officiated at the baptism on Oct. 13th.

A large crowd gathered at the Villeneuve Hall on Oct. 11th to celebrate the birth-

day of Victor A. Soetaert. After an evening of carols, a lovely lunch was served, followed by a presentation to Victor from his gathered friends.

In the afternoon of Oct. 13 a large crowd gathered at a shower in honour of Annette Belanger. Annette is to become the bride of Edmond Paquette on October 26.

Remember our Fall Supper, smorgasbord style, to be held on November 10 in the Villeneuve Community Hall. Supper will be served from 5 p.m. until 7 p.m. The supper will be followed by a family type entertainment. Everyone is welcome. Bring your children and enjoy a family evening out.

The Villeneuve 4H Clothing Club held its reorganizational meeting on Oct. 23. Thirty girls signed the registration form.

Margaret Borle attended the workshop held Oct. 18, 19, 20 at Jasper. She is now prepared to conduct classes in Creative Stitchery (there is a class of 10 interested participants). The classes usually last for a period of four weeks with each class being of two hours duration. So if any of you Villeneuve ladies would like a constructive morning or afternoon

session perhaps you could contact nine others interested and classes could be arranged.

We wish Garry Soetaert, youngest son of Florence and Emilie Soetaert a speedy recovery. Garry was accidentally burned in a flash fire. He has been a patient at the Sturgeon General Hospital.

Colleen Sheehan and Debra Krenner have joined the students now attending University.

David Soetaert spent a very interesting summer in the Grande Prairie area in the employ of the Forestry Department.

David, June and Simone Borle flew to London on September 14. Since then they have visited England, Scotland, France and on Oct. 23 were to be joined by Cherylin and her husband in Hamburg, Germany. They will then continue onto Holland, Belgium, Italy, etc. They plan to return before Christmas.

Our sympathy is extended to a former resident, Mary Halwa, on the sudden passing of her brother, also to Mrs. Paul Bokenfohr who recently lost her brother in a car accident.

Mc Gillis - Gervais Wedding

MR. & MRS. BARRY MCGILLIS

In a pretty afternoon ceremony on October 12, Annette Gervais, daughter of Mr. and Mrs. Andy Gervais of Morinville and Barry McGillis, son of Mr. and Mrs. John (Bud) McGillis of Riviere Qui Barre were united in a double ring ceremony.

The setting for the wedding ceremony was St. Jean Baptiste Church of Morinville officiated by Reverend

Father Primeau. The organists were Mrs. Fernande Labonte and Mr. Denis Chalfoux. Soloist was Mrs. Irma Bulger who sang a beautiful hymn "Alleluia on this Day" composed especially for this occasion by Mrs. Irma Wozney. Other renditions were "Sunrise-Sunset" and "Song of Joy."

Escorted down the aisle by her parents, the bride looked radiant in her white

gown of arnel crepe trimmed with daisies featuring a mandarin collar, bell sleeves and a long train. Her traditional long veil trimmed with tiny daisies was held in place by a Juliette cap. The bride carried a bouquet of orange roses and orange carnations. Bridal attendants Diane Gervais (sister of the bride) Joan McGillis (sister of the groom) and Bernice Chalfoux were identical gowns of brown floral polyester with a short long sleeved jacket of orange crepe fortrel. They carried bouquets of orange and brown mums.

The groom was attended by Ryan Borle, Dan Wilson and Jim McGillis (brother of the groom). Ushering the guests were Raymond Gervais (the bride's brother) and Paul McGillis (the groom's brother).

To greet her guests the mother of the bride chose a formal fortrel ensemble featuring a long sleeved brown, beige and rust gown with a matching sleeveless floor length vest in rust, brown accessories and a white orchid corsage. The mother of the groom wore a light blue long sleeved knit gown with black accessories and a white orchid corsage. The four grandmothers were each presented with a corsage of red roses.

A banquet for some 150 guests was held in the Morinville Recreation Centre where a unique wedding cake centred the head table. The cake was beautifully decorated

by a friend of the groom, Mr. Dave Bliss of St. Albert. A special feature of the head table were the lighted orange colored flamboyants at each setting.

For the banquet Gilbert Boddez of Morinville was master of ceremonies. Marcel Gervais (brother of the bride) welcomed Barry into the Gervais family and gave the toast to the bride. The groom's father, Mr. McGillis welcomed Annette into the McGillis family. Mrs. Irma Bulger entertained the guests with a few vocal selections.

Later in the evening some 600 guests enjoyed a dance to the music of the Satellites and a midnight lunch. The hall was appropriately decorated in fall colors featuring lovely baskets of orange crepe paper roses accented by green and fall colored leaves. White and orange bows gave them a final touch. These were made by Mrs. Lil Boddez. Out of town guests attending the wedding were from Ponteix, Assinibola, Moose Jaw, Lake, Dillard, Tisdale in Saskatchewan, from Wainwright, Calgary, Girouxville, Hinton, Rocky Mountain House and from Vancouver, B.C.

For her honeymoon trip to Spokane, Washington and B.C., Annette donned a red fortrel dress with matching jacket, brown accessories and a gold corsage. Annette and Barry will be residing in St. Albert.

Bill Flynn Reeve for another term

At an organizational meeting of the MD of Sturgeon No. 90, October 25, Reeve Bill Flynn was re-elected by acclamation for another year's term in that position.

Councillor Lawrence Kluthe was also re-elected by acclamation as Deputy Reeve.

Councillor Kluthe is also chairman of the executive committee this time round. Also on that committee are Clay Crozier and new councillor member Hubert Lamoureux.

On the public works committee, chairman is Walter Van de Walle and he is joined by other committee members Walter Jerram and Glenn Berry. The Reeve has

ex-officio membership on both these main committees.

Walter Jerram is chairman of the Agricultural Services Board and Glenn Berry is also on this Board. Two farm members on the Board are Alan Watt and Gordon Meakins.

District Agriculturist is Wally Klatt and Agricultural Fieldman is Don England.

There are three representatives from council on the Sturgeon General Hospital Board. They are Councillors Kluthe, Van de Walle and a representative from the public, Stan Walker.

John Devereux has been appointed representative to the Fort Saskatchewan General Hospital Board.

Camilla 4H news

By Tammy Brennels

On October 7, Camilla Clothing Club held their first annual meeting to elect a new executive and club leader. Mrs. Grace Brennels is now our new leader, President is Georgette Van Brabant, vice-president -- Kimi Nakurmarie, secretary, Cindy Brennels; treasurer Sheryl Soetaert, club reporter Tammy Brennels, recreation leaders Helen Borris and Diane Bokenfohr, lunch convener's Louise Borris and Lisa Hermantuz.

MacMillan - Quintal nuptials held in Calahoo

By Liz McLeod

A beautiful autumn wedding was solemnized at St. Catherine's R.C. Church in Calahoo at 2 p.m. on Sept. 28, 1974, when Miss Gail Martha Quintal, youngest daughter of Hector and Helen Quintal from Calahoo, pledged her vows and exchanged rings with Mr. Dale Richard MacMillan, Mr. and Mrs. Simon MacMillan's son from 12727 - 135 Avenue, Edmonton, Alberta.

Rev. Father Michael Smith performed the delightful ceremony before an altar appropriately decorated in autumn arrangements in colors green, orange and gold, made up of cat tails, wheat and dried flowers with orange and white bows on the pews.

Mrs. Sharon Naulticably played the wedding music on the organ and Gail's cousin Sharon Anderson sang - "Come What May" and "Walk Thru This World With Me."

Given in marriage by her parents the bride was radiant in her full length gown of white peau-de-soie, featuring an oval neckline, long sleeves and trimmed in lace.

The full flowing train, trimmed in lace and enhanced by orange daisies around the hem was held in place at centre back with a bow.

Her shoulder length net veil fell from a white daisy wreath head dress, and she carried a large bouquet of gold and orange daisies. Her only jewellery was a pearl choker necklace.

The bride's sister, Mrs. Linda Porritt was matron of honour and her cousins, Miss Debbie Ross and Mrs. Rhonda Peel were her first bridesmaids and they were charming in their red interlock turtleneck A line backless gowns with flowered short jackets complimented with white daisy wreath headpieces. Their bouquets were white daisies with sprigs of dress material inter-twined. Their only accessories were pearl chokers, gifts from the bride.

The groom was handsome in his dark brown tuxedo with white ruffled shirt, bow tie complimented by an orange and gold daisy boutonniere.

His best man, Mr. Stuart MacMillan and groomsmen Mr. Bruce MacMillan, (two-

thers) and Mr. Howard MacLinn from Victoria, B.C., were ushering in their brown tuxedo's with beige ruffled shirts, wearing white daisy boutonnières. Ushering in the main guests were Kevin Quintal and Lyle Quintal.

For her daughter's wedding, the bride's mother chose a red full length gown with matching jacket and white daisy corsage. The groom's mother was elegant in her beige full length gown with orange and brown contrasting panel from right shoulder to left bottom, and white daisy corsage.

The reception was held in the Spherix at Spruce Grove where the groom's brother Mr. Don MacMillan was congenial master of ceremonies.

Again Miss Sharon Anderson held her audience's attention while she sang so beautifully and well.

The head table was prettily decorated with white tablecloths with contrasting orange and daisy accessories where the wedding party their parents and Dale's grandmother and Gail's grandfather Mr. Frank Gawron of Calahoo were seated. The three tier wedding

cake was beautifully decorated with orange daisies falling down the sides with the top beautiful with its Cross and rings, orange daisies and doves.

For her going away outfit the bride chose a dress in the same design as her bridesmaids, only short.

For their honeymoon, the couple plan to go to Spokane, Washington, and the World's Fair via Osoyoos and Victoria, B.C., after which they will make their home in St. Albert, Alta.

Out of town guests were Pee-wee and Pearl Quintal, Shayne and Cheryl, Ticker and Marilyn Quintal, Mrs. Opal Quintal, Brent and Cindy all from Osoyoos, B.C., Norman and Fiete Anderson, Sharon, Ollie, Robin and Arnon from Windfield, B.C., George and Fran Calihoo from Kitimat, B.C., Hazel and Ken Smith, their son Dale and his friend Debbie from Sundre, Alberta, and George and Gayle McKay from Pilot Mound, Manitoba, as well as friends and relatives from all surrounding districts.

Telegrams were received from Shmoe and Dot Quin-

MR. & MRS. DALE MACMILLAN

tal, Bun and Barney O'Neill, Sam and Betty Quintal and David Peel in Toronto, Ont., and Marie Krupa in Fort Vermilion, since they were unable to attend.

Calahoo WI holds busy meeting

By Liz McLeod

The 15th meeting of Calahoo Women's Institute was held in Mrs. Emelia Schermund's home on Oct. 22 with 14 members and two neighbors, Mrs. Erwin Lischewski and Mrs. Lloyd Bergstreiser as well as 14 month old Norman Schermund, Roy and Alice Schermund's grandson present.

It was unfortunate Daphne Kerr couldn't make it but she was visiting with her parents, Mr. and Mrs. R. W. Akerman of Edmonton at the time.

The meeting opened with "The Creed" followed by President Mrs. V. Albrecht who read a poem entitled "There are no Friends like Old Friends."

A catering job was discussed and agreed upon and then a discussion ensued as

to what the WI would do to help stock the West Sturgeon Agriculture Society of Calahoo's arena, and it was decided to purchase some cutlery.

There was a letter from Constituency Convener Mrs. Alleen Kritzinger and one from district director, Mrs. Vera Holt who I'm so happy to say is now at the Associated Country Women of the World (ACWW) Conference in Perth, Australia.

There were letters from A. Armstrong of the Stony Plain Legion - re. laying a wreath on November 11th, Pearl Clark reordering of souvenir spoons, and our D.H.E. Pat Doerksen, re-matrimonial laws.

Delegata Mrs. Dalheim's report on the Olds convention, followed by the Pennies for Friendship.

Roll Call was "Buy a Pop-

py" and Stephanie Shenfield who really took fine in her Royal Purple outfit had a supply on hand.

Mrs. Jack Dalheim offered to place the spray for this group on Nov. 11 in Stony Plain.

Emma Dalheim won the

door prize brought by Mrs. Carl Bergstreiser. Annual meeting will be held on Nov. 26 in Mrs. K. Dalheim's home at 8:30 p.m. The WI would be very happy to welcome visitors and meet some newcomers to the district.

Goldenagers welcome visitors

Oh what marvellous weather we are enjoying these days!

What a relief for the farmers to be able to finish combining and they are presently catching up with their fall work and hauling bales is still in full swing.

However the tension is lifted and on such a beautiful sunny afternoon there were 35 neighbours and friends gathered at Calahoo to enjoy the Senior Citizens get-together on October 23.

Shuffleboard, cards and bingo kept everyone occupied.

It's such a treat to share friendships and this day Tommy and Rose Calline joined the group and brought

along a very dear friend and former schoolmate of Vance and Rose Berry - Mrs. Anne Edler from Bow Island Alberta who is visiting with her friends in Calahoo.

Oscar and Eugenia Campeau also enjoyed the drive out to join in with former neighbours and friends. Then there are the Onway members who are always jovial company.

On October 22 the Onway group were invited to Darrell's Goldenagers and from all reports a wonderful afternoon was spent among the 90 odd attending.

Mrs. Mary Flaherty and Mr. Luke MacJau had happy birthday song to them. Visitors are always welcome.

new mix-calls with POWER BALE FEEDERS

HORSE HILL

By Peggy Wenzel
The Patricia United Church Women are holding a turkey supper on Saturday, November 2 in Horse Hill School Centre. For tickets phone Mrs. Mullock at 799-6579 or Mrs. Cessford at 799-6413.

Winners of the Halloween HulaHoo costume prizes

were Diane Herbert and John Howey, who came as Pochontas and Davy Crockett and won the Best Dressed Couple; Jake Fokema, a Searcrow won the Single prize; in the Novel section Rita Tymoschuk who came as a witch was declared the winner, and Bill Hood, the Boxer won the Judges Chi-

once Award. Everyone thoroughly enjoyed the evening.

Anyone interested in figure skating is asked to please phone Brenda Tetz at 799-5776 and pre-register their children. Brenda would like to get classes set up and ready before the cold weather and would appreciate hearing from all people interested in the near future.

NAMAO NEWS

TC Irma Crozier

Namau UCV extend a sincere thank you to all who helped to make their turkey supper so successful. Namau UCV are sponsoring a drive for articles for Dis-sell Centre in Edmonton. Good used clothing, furniture, small appliances, books and magazines are all

needed and may be left at the Namau Church from November 11 - 15.

Lancaster Park Farmers' Curling League will reorganize on Wednesday, Nov. 6 at 12:30 p.m. This league is open to both men and women. Anyone wishing more information please call Melvin Clark at 799-3890.

Coronado News

A meeting will be held in Coronado Hall, November 4, at 8 p.m. for physical culture and keep fit classes. If enough women attend that night, classes will begin the very same evening.

Christmas craft classes will begin November 20. If

sufficient interest is shown, further Christmas craft classes will probably be held.

The Coronado annual fall supper and bazaar will be held November 2, from 5 - 8 p.m. at the Coronado Hall. There will also be a Christmas cake sale.

Alcomdale 4H news

By Jackie Bucher

The first meeting of the Alcomdale 4H Beef Club was held at Gordon Meakin's, on October 18, 1974 at 8 p.m.

The officers have been chosen: President - Pam Meakin; Vice-President - Donna Davidson; Secretary -

Joanne Brennels; Treasurer - Darcie Brennels; Club Reporter - Jackie Bucher.

Weighing of the 4H calves will take place on November 9, 1974 at 10 a.m., at Gordon Meakin's. Future meeting will take place every first Monday of every month 8 p.m. at Member's homes.

Mrs. Brown can come to town - anytime she wants to. Because Greyhound serves Alberta hamlets that other people don't.

Violet Grove Junc., Stirling Junc., Provost . . .

Small places like these are part of the backbone of Alberta. Largely because of good citizens like Mrs. Brown. When she wants to visit relatives or get together with friends in other centres. Greyhound is ready.

With a convenient schedule and a friendly driver - whom she probably knows by name. Alberta is "home" to Greyhound Canada. Our head office is here. And ever since 1930 we've been extending our rural bus routes to hundreds of small towns - villages - hamlets - flag stops.

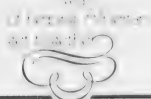

Some of these routes are economical for Greyhound. Others aren't. But we serve them all regardless.

MORINVILLE MEMOS

By Marilyn Pelletier

Mrs. A. E. McMillan of Birch River, Manitoba was here to attend the graduation of her daughter Mrs. Dick Rogers. Congratulations Marilyn.

Jamie Kryskow is in the hospital for an operation Friday. We understand he is doing well.

The Morinville ladies will be pleased to know of the opening of a new beauty salon now at their disposition. It is owned and operated by Pat Johnson, a former associate of Marcella Dupuis. Hope you do well Pat.

Elaine Kryskow and daughters along with Mrs. Ed Kryskow left Thursday for Washington, D.C., where Elaine will be joining her husband Dave, who is playing hockey for the WHL.

Mr. and Mrs. Tony Byer were surprised by a party given for them by friends and relatives to help them celebrate their 25th wedding anniversary. We'll cherish your 50th, guys.

Congratulations to Mrs. Louis Proulx who won \$2,000 at the Knights of Columbus, Bingo in Edmonton last Friday night. Mrs. Proulx a very happy lady bought a new colored TV and she doesn't know what she will spend

the rest of the money on. It is nice just to hold it for awhile, Right?

Mr. and Mrs. Len Jellicoe and daughter Barbara, grandson Sheldon of Kelowna, B.C., were recent guest at the home of Mr. and Mrs. Marvin Thibault and family.

Mr. George West was in Calgary for a few days on business.

Congratulations on the new arrival of a baby girl are extended to Mr. and Mrs. William Avial.

Also welcomed into the world is a new baby girl daughter to Mr. and Mrs. Robert Bijou.

Recent comments from children regarding the "No Hallowe'en Party" this year are as follows. The little children were happy there was to be no party so by giving out trick or treating they

too would get some candy. Older children above the trick or treating are were happy because they too could participate in handing out treats to the little witches and goblins that rang their doorbells.

The next meeting of the Morinville United Church Ladies Aid will be held on Tuesday, Nov. 19, commencing at 8 p.m. at the home of Bjorg Carlson. All ladies are welcome whether you are newcomers or long time residents. For further information please phone Jean Robinson, 256-3153. Our annual bake sale and tea is planned for Saturday, December 7, from 1 - 5 p.m. in the Legion, so please mark your calendar.

Latest news from Bill and Peggy is Jean Ringrose is expecting twins soon.

There will be a Community Breakfast on Nov. 19, 1974 commencing at 9:30

a.m. - 12 noon at the Recreation Centre. Proceeds from the breakfast go to the Centre. Come on out and meet your neighbors.

Mr. Bob Beland of Morinville just recently returned after six months in Egypt with the U.N. Peace Keepings Corps. Welcome home Bob.

The annual meeting of the Morinville Frontier Daze Association will be held on Tuesday, November 12, at the International Building in Morinville, commencing at 8 p.m. The Financial Report for the current year will be presented. To ensure a successful 1975 Fair, Frontier Daze needs YOU, your NEW IDEAS, and your HELP. Be concerned - attend this important annual meeting.

GUIDE & BROWNIE NEWS

The Mother's Local for Guides and Brownies wish to thank all those people who supported their recent rummage and bake sale. Ar-

restles for the white elephant table, clothing and delicious baking combined, made the sale a complete success.

RAFFLE - 1st Prize was a beautiful patchwork blanket donated by Miss Theresa Kelsor of Morinville. 2nd Prize was a food hamper filled to the top with canned and dry goods.

WINNERS - 1st prize won by Maria Rousseau of Morinville. 2nd prize won by three year old Shelly Lanskink of 9706 - 99A Avenue in Morinville. Congratulations to the winners!

Many thanks to Danny Clarke for taking time to take the unsold rummage to the Bissell Centre in downtown Edmonton.

The Ladies physical fitness program sponsored by Sturgeon Regional Recreation has been changed to Wednesday evenings beginning November 6, 8 to 10 p.m. Anyone interested please come to the Cunningham School Gym, Morinville.

Morinville skating club elects new officers

By Flo McGinnis

Some 40 parents along with a few children and teenagers attended the annual meeting and registration night held by the Morinville Lions Figure Skating Club on October 22.

Considerable discussion was held regarding the ARSA program (which the club now offers) and the CFSA program (for which a number of Morinville's young people

now travel to St. Albert and Edmonton). The club will continue to offer the ARSA program. However, Roger Blackburn will be heading up a group to investigate the possibilities of setting up a CFSA program for Morinville and area. Everyone in attendance agreed that it would indeed be very beneficial for a number of local families if this program could be offered in Morinville as well as the present one.

The outgoing executive reported that the same ice time as last year has been applied for. This is: INSTRUCTION - Saturday mornings; PRACTICE SESSIONS - Monday and Wednesday from 4 - 5 p.m. The club will know shortly whether these times have been allotted for figure skating.

Fees for the current year are: Beginners - \$5; 2nd yr. Beginners \$6; Preliminary \$7; Bronze \$8; Silver \$9; Gold \$10. Each student must have a 1974-75 Skating Pass (available from Doug Ramer at 256-3565) which costs \$9 for Single and \$18 for Family.

At the registration night there were 45 young people registered. Registrations are open till November 5. After this date NO additional registrations will be accepted. You may contact Gwen Schindler at 256-3002 or see Rena Bland at the Drayden Insurance office.

Instructors Marg and Sharon Sullivan have been engaged for their 3rd year and parents will assist with the supervision. If you are registering your youngster be prepared to take your turn at supervision. However if there is some certain day of the week when you will be unable to offer your assistance please contact Gwen Schindler or Lodewijk.

Elected to the 1974-75 executive were: Maureen Smith, president; Sally Casavant, vice-pres.; Leonie Kremer, sec.; Torry Wies-

gerber, treas.; Gwen Schindler, registration; Maryann Gibault - Queen committee; Mrs. Lodewijk, phoning committee; Maureen Campbell, advertising; Maureen Campbell, carnival committee. Maureen Campbell was the only member of the outgoing executive to offer to stay on for another year.

Many thanks go out to Shirley Antill, Rena Bland, Peggy Butt, Pauline Cormier, Lois Mulligan, Doreen Streeter, Madeline Syl-

vestro, and Mary Trach who so diligently served the community by sitting on the executive of the Morinville Lions Figure Skating Club from one to three years.

The new executive will hold their first meeting on Tuesday, November 5 at the home of Terry Wieser at 7:30 p.m. Don't forget that deadline for registration - November 5! There are only 45 registrations so far and there are usually about 80.

8-hp Massey-Ferguson snow blower eliminates the back-breaking chore of shoveling wet, heavy snow.

- Self-propelled, clears 26" path through waist deep drifts
- Easily chows hard-packed snow into smaller pieces.
- Throws it 90' right or left, up to 30 feet away.
- Four speeds forward, neutral and reverse.
- Easy starting, fully winterized engine
- Tire chains included.

Put away that snow shovel and get an MF 228 snow blower today at:

EDMONTON ALBERTA

Report from Bon Accord

By Sadie Allen

Registration night for hockey, power, figure and learn

to skate witnessed a record turnout. Registration for the skating classes may still be

made by calling Marg Sullivan, 298-2392. Interest has also been shown in an adult skating class. Time of the class can be set to suit the wishes of the majority participating. Here again you may telephone Marg if you are interested. Plans are being made for the formation of a house league for eight and under boys. All games will be played at the arena with two rinks being set up and two games on the go at the same time. The travelling team will be chosen of the best players from all registered, to play the old game away from home. More games are needed to complete four teams. Call Don Bland, 298-2374. Interest has also been shown in forming a senior men's no-hitting league. This will be carried on along the same lines as the mini-mites with a team of the more proficient being chosen to play the occasional away game. Any guests wanting to play hockey without getting killed or maimed in the process, contact Don. All figure and power skating classes will be held Wednesday nights.

A most enjoyable session of Oriental Cookery conducted by Mrs. Della Yuen-Jung has now been completed and a four week course in Rug Making by Mrs. June Seredak will be underway on Oct. 30. Classes are held in the Bon Accord Community Centre Wednesday evenings from 8 - 10 p.m. There is no limit to the number participating in the class. A course in making Christmas decorations will follow rug making with Pat Reichle as instructor.

Investment Night for the Cubs and Scouts is slated for November 4. A good turnout of parents and friends is hoped for and coffee and squares will be served.

The Cub and Scout Parent Association are planning a sale of home baking on the main floor of the Community Centre on Nov. 11 in conjunction with the UGW fowl supper and bazaar. Time 5 - 7:30 for both events.

Brownies and their leaders met at the arena for a

wreath prior to their regular meeting on Oct. 21. The girls played games, etc. cleaned up and then hiked to the Community Centre for their regular meeting. Following regular business they joined the guides to practice for fly-up ceremonies on Oct. 28. Guides introduced their new 2nd Lieutenant, Mrs. Karen Webster. Mrs. Roseann Lewis worked with the Tenderfoots on enrollment requirements. Old Girls worked on patrol procedures and practiced the fly-up ceremony.

The Bon Accord Teen Club are raffling an 8 track car stereo valued at \$95.90 with the proceeds slated for a Santa Claus Christmas for the children of the community. A successful sale of tickets will guarantee Santa arriving by helicopter. Please support the teens. Tickets are available from Penny Carleton, Lori Ketter, Mark Ruth, Jan Bourdon, John Chopp or any club member. The draw will be made in December.

The 4H Beef Club held their organizational meeting on Wednesday, Oct. 23. Elected officers are: Pres. Rick Kreway; Vice-Pres. Murray Pawluk; Sec. Lori Pawluk; Treas. David Kreway; club reporter - Lorna Carleton; club librarian - Gary Bleick; club representative - Lori Pawluk. Meetings are held on the first Monday of each month at the school at 7:30 p.m. The next meeting will be on Nov. 4. Welsh-in of calves will be held on November 14. The club has 19 members. Club leader is Mr. Taras Ferbey. This report was submitted by club reporter, Lorna Carleton.

A basketball of mugs is missing from the Community Centre. Will the borrower return same immediately as the mugs are urgently needed for coming functions. It is important that everyone in the community look upon community centre property as his/her own. If you see anyone abusing or misusing it, re-act as if it were your own -- and that is not turning your head so you will not see what is happening.

The building on the corner of 50 Avenue and 50 Street formerly the property of Fred Abramski has been purchased by the Edmonton Amalgamated Savings and Credit Union. After undergoing complete renovations, it will house the Bon Accord branch of EAS & C, which hopes to move into its new premises by Dec. 15. Development is in charge of renovations with F.A.B. Homes of Morinville doing the work.

A heartfelt thank you is extended from the Bon Accord and District Agricultural Society to all those who helped to make its first series of Market Days such a terrific success. Not only are the donors of produce being recognized, but those who sold on commission, and of course the enthusiastic customers who cleared the tables every sale day. At this time, how about making plans for an extra row or two in your garden next year, either for pin money or as your donation to a very worthwhile organization. Produce are being poured into completion of the arena. Weather holding, both June-bearing and Ever-bearing strawberry plants are still available, for sale. Contact Pat Reichle, 298-3535 for information.

The executive for the Cub and Scout Parent Association is Pres. Pat Reichle, vice-pres. Donna Mams; secretary, Linda Adams; treasurer, Margaret Schneider; badge sec. Janice McDonald and Karen Webster; phoning committee June Seredak; Alice Strawn, Allen Spencer, Evelyn Kulay, Donna Fleming and Irma Love. The committee held a very successful meeting on Oct. 21. Lots of plans for fund raising were made with those

for the immediate future being the bake sale slated for Nov. 11 and a hamper raffle to be drawn for on Dec. 16. Parents and friends of the Cubs and Scouts are asked to make donations to the home baking table. The raffle which is being conducted by the Parents' Association will feature two hampers, one for the lucky ticket holder, and the other as a gift to a needy family in the Bon Accord area. The next meeting of the committee will be held on Nov. 18 at 6:30 p.m. in the Community Centre. In the Community Centre, welcome to all.

Dorothy Rimey, Olga Ferbey, Edith Kowalski and Pat Reichle attended a craft seminar at the Overlander Lodge just outside the Jasper Park gates on Oct. 18, 19 and 20. Pat took copper enamelling, Olga creative stitching, Edith primitive silk printing and Dorothy, jewellery making - promising a season of interest for residents of the area who are interested in craftwork.

Remember the \$500 cash bingos which makes its debut in the Bon Accord Community Centre, on Nov. 3 at 7:30 p.m. -- sponsored jointly by the Lions and the Community Centre Board with proceeds for community activities. Please support them.

The civilian committee for #524 Cadet Squadron meets on the second Tuesday of the month in the Bon Accord Community Centre. A special note to young people -- your are cordially invited to attend cadets. See how interesting the program is and what really good opportunities it offers. Parents are invited to attend the civilian committee meeting on November 12.

PUBLIC NOTICE BON ACCORD

(Section 311 of The Municipal Government Act)

TAKE NOTICE that the Council of the Village of Bon Accord, in the Province of Alberta, has given first reading to money Bylaw No. 70 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of constructing Municipal Offices and Fire Hall within its municipal limits.

The estimated total cost of the aforesaid project amounts to \$132,000.00. After deducting from this cost the amount of \$37,000.00, to be received by way of grants/ for labour forgiveness from the Winter Capital Projects Fund/revenue funds/donations etc., the net amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is \$95,000.00. The debentures are to be repayable to the bearer in twenty (20) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than twelve per centum (12%) per annum.

NOTICE THEREFORE is hereby given by the Council of the Village of Bon Accord that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said Bylaw and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

A proprietary electors is -

- (1) a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and,
- (2) a person who is liable for the payment of a mobile unit licence.

Fifteen per cent (15%) of the proprietary electors may by petition request a vote on a money Bylaw under the provisions of Sections 311 and 7 of The Municipal Government Act.

1. The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.

2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.

3. There shall be set out opposite each signature on the petition -

- (a) the legal description of the property or other qualifications entitling that person to be a proprietary elector,
- (b) the postal address of the petitioner,
- (c) the occupation of the petitioner.

4. A corporation or a church or other religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or a church or other religious organization or an estate.

5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.

6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.

7. No name shall be removed from the petition after it has been received by the municipal secretary.

8. If two or more money bylaws are advertised in a single notice, a separate petition shall be filed with respect to each bylaw.

9. The date of the last publication of this Notice is

OCTOBER 23rd, 1974.

Brownie packs in Gibbons "fly-up"

By Shirley Steinwand

On Wednesday, October 23 the First and Second Brownie Packs, 1st Girl Guides and the Local Association joined together for a fly-up, enrollment of Guides and a special presentation to Mrs. Sheila Crosbie.

The fly-up was very nice, with seven girls flying up to Guides. The girls were controlled by Guide Captain, Mrs. Avis Hood.

Mrs. Evelyn Fraser, area camp advisor enrolled the new Guides, and Mrs. Shirley Steinwand, district commissioner presented them with their Tenderfoot pin. The new enrolled Guides are: Brown Owl, Mrs. Colleen Balas, Tawny Owls, Mrs. Pat Piras and Mrs. Doreen Toker.

Shirley Steinwand gave a short speech about Mrs. Sheila Crosbie, L.A. secretary for three years, and called on Evelyn Fraser to present Mrs. Crosbie with a Thanks Badge, on behalf of Brownies, Guides and L.A. The green thanks badge is given to friends of Guiding who are not members of the Girl Guides of Canada, as a token of appreciation of work done for Guiding.

Coffee and squares were served, ending a lovely evening.

The Gibbons Parents Committee for Cubs and Scouts held a meeting Wednesday evening. Again, there were very few parents attending.

A few changes were made on the executive, as Mike Bochansky is now a Cub leader. Mrs. Doreen Toker

volunteered as Badge Secretary, replacing Mike. Mrs. Liz Rains has replaced Mrs. Marlene Curtis as Treasurer.

Bill Pollard is now Scout Leader.

Effective Nov. 6, Cubs will meet in the arena mezzanine every Wednesday. Scouts will meet in the hall as usual.

On Nov. 13, Cubs, Scouts

and leaders will be invited by John Engman of Bon Accord. Mr. Engman has requested that all fathers of the boys (mothers may also attend) be on hand to take part in this ceremony. This is a very important step for your son, please don't disappoint him.

A light lunch will follow, and parents will be contacted

as to what to bring.

One form of fund raising for the year by the Parents Committee will be a Mother-Son Broomball game, if free time is available. Date to be announced later. Next Parents Committee meeting will be held November 13, following investiture and lunch at the mezzanine. Please make arrangements for one

parent of each family to stay for this meeting.

Louetta of Suzanne's Floral Design has announced that she will hold Design Classes at her shop every Monday evening from Nov. 4 to Dec. 16 at 7:30 p.m.

She will start with corsages (two evenings) and go on to fall and Christmas decorations. If you are un-

able to attend on Nov. 4, they will be doing corsages again on the following Monday.

If enough people are interested, classes will again be held after Christmas. The Gibbons volleyball players will participate in the Lazerte volleyball invitation 1 tournament on Saturday, November 2.

President's letter-Sturgeon Ag. Society

It is with much pleasure that I bring you the news that the Gibbons Arena, indeed, by the time that you read this report, some of you may have been skating on it. At the present time, Mr. Don Rurak of Gibbons has been scheduling activities at the arena. Ice schedules have already been drawn up and all prime times have been spoken for. However, since the regular league activities are underway, some time may become available. Our endeavours are to keep the arena functioning for as many hours as possible. There are still openings between the hours of midnight and 4 p.m., Monday to Friday, and possibly early Sunday mornings.

We welcome your requests for use of the mezzanine in the arena for a meeting place etc., however, we encourage the continued use of other facilities in Gibbons that are also meant for this purpose.

The annual meeting of the Sturgeon River Agricultural Society will be held in the latter part of November, and

a specific date will be announced shortly. At this meeting we will be electing a Board of Directors and an executive will be formed from these. This Board will guide our activities for the coming year. I wish to bring your attention to the fact that memberships are renewed annually and will also be available at this meeting.

The Board of Directors for this past year has been worked to a frazzle with the

problems encountered with the construction and operation of the arena. We would encourage you to make your services available to fill openings on the Board at the annual meeting.

A problem that seems to come to light to me after serving on the Board, is that the Society has been so involved with ice and general operation of the arena, that activities to do with agriculture have been overlooked. I sincerely regret that

this has happened. It is my hope that those of you who are involved in agriculture will come out to this meeting and support your society, especially since Agriculture has made a very substantial contribution in funds to our projects. There are a vast number of events that could benefit agriculture that the Society could promote, but we need the participation of the rural area to plan these things. Many of these events should be in the planning stages now to take place during the summer months, to give the arena a continuous year-round program. Also, small activities, such as short courses could be

planned for winter.

My intent, in this message, are not to take away from the village of Gibbons. We also need your support.

Your contributions to our projects have been most valuable. We hope for your continued help in planning future activities and support of the ones already in progress.

The Agriculture Society has a perfect opportunity to bridge the gap between rural and urban people. Our individual needs may differ, but there is room for all in our plans.

Clarence Minchew
President

Sturgeon River Ag. Society.

Loblick returned as Mayor

Village of Gibbons organizational meeting held in the Village Office on Wednesday, October 23, 1974. Appointed to offices were: Mayor Dermont Loblick; Deputy Mayor-Hannelore Van Noord and Councilors - Donald Brown, Charles Slater, Ronald Smith.

Heads of Departments as follows - General Government: Dermont Loblick 799-9169; Protection to Persons

Donald Brown 799-9639; Public Works-Donald Brown 799-9639; Ronald Smith 799-9119; Public Utilities - Dermont Loblick 799-9169; Ann Van Noord 799-9222; Sanitation - Charles Slater 799-9237; Recreation and Health Charles Slater 799-9237.

A letter of resignation as Secretary-Treasurer of the Village was submitted by Earl Yeo to be effective December 1, 1974.

Gibbons 4H Light Horse Club

By Carol Salahub

The Gibbons 4H Light Horse Club held their re-organizational meeting at the Gibbons Sunday School on October 10 at 8 p.m. A total of 22 members and one new member joined the club. At this time a new executive was elected - President, Pat Epp vice-pres - Christine Hood; secretary - Bev Epp; treasurer - Sharon Kish; club reporter - Carol Salahub

and Tracy Hood as the club historian. Mrs. Hood, Mr. Buchannon, Mrs. Watt, Mrs. Bowman and Mrs. Morin were elected for this year's advisory committee. This year's club leader is Mrs. Bev Hood and her assistant is Mr. Don Buchannon. The next meeting is to be held at the Salahub residence at 7:30 p.m. on November 14. All members are urged to attend.

Gibbons library busy place

The Gibbons Public Library was a busy place Oct. 24, when members of the Last Round-up enjoyed "Open House" as guests of the Library Board. Coffee was enjoyed and the guests had

a chance to look over and select books to read. We were happy to get some new members, and others stated their intention to call again. Children and students in-

terested in obtaining interesting authentic information about the Royal Mounted Police could well visit the library because we have some new books and stories based on the history of the police. Two titles which might be of interest are the "Mounted Police in Canada" and the "Royal Mounted Police." Also of possible interest are a fine new selection of books about hockey, football, and other sports. Small people of preschool age will find a varied selection of Dr. Seuss books and other favourites. Remember our hours. We are open - Mondays: 6:30 p.m. to 9 p.m., Thursdays: 12:30 p.m. to 3 p.m., and after November 1 Fridays: 4 p.m. to 6 p.m.

LEGAL LOCALS

By Lucienne Montpetit

You are cordially invited to attend a Bean Supper at the Club 60 Roses on November 2nd. Supper will be served from 5 to 7:30 p.m. Dance will follow at the Club from 9 p.m. to 10 p.m. Come and have a good time and also help a good cause.

Three girls of the graduating class received "sparklers." Miss Cecile Thieule daughter of Mr. and Mrs. Jean-Marie Thieule was en-

gaged to Gerald Bernhe son of Mr. and Mrs. Paul Bernhe; Miss Paulette Clouthier, daughter of Mr. and Mrs. Paul Clouthier will be married in May to Jimmy Hunting, son of Mr. and Mrs. Richard Hunting, and Bridgette Rauch, daughter of Mr. and Mrs. William Rauch to Byron Fulton, son of Mr. and Mrs. Cameron Fulton from Alcomdale. Congratulations to the happy couples.

Creative dance lessons (a new and exciting look at

dance) will be coming to Legal. These lessons are open to children from the ages of 3 to 12.

The Christmas craft course will begin on Nov. 7 at 8 p.m. at the Rec. Centre. We still do not have sufficient registration for the re-upholstery.

Beginners crocheting and stretch and sew lessons will be offered after Christmas. For further information or registration on the above please call Sharon Veltech at

598-2399.

Sincere condolences are extended to Mr. and Mrs. Remi Prefontaine upon the loss of their dear little boy Robert who passed away on October 26 at the age of six years.

Les Femmes Chrétiennes will hold their monthly meeting on Monday, Nov. 4 at the Rec. Centre at 8 p.m.

If you wish to buy a Guide or Brownie uniform, phone

Mrs. Chamberland at 598-3852.

The Fire Department was called at the home of Mr. and Mrs. Hervé St. Onge on October 21. Due to their quick response, the house was saved but there was extensive damage in the basement, with smoke damage upstairs.

Mr. and Mrs. Victor Duzlich and family have moved in their new home in St. Albert.

The Village Council and their wives met at the residence of Mr. and Mrs. Arthur Morin on October 23 for an appreciation night in honour of Mr. and Mrs. Leon St. Martin.

Mayor Joe Nault presented Mr. St. Martin with an engraved plaque and thanked him for his many years of service and dedication for the betterment of our village. Mr. St. Martin was councillor for four years and he was mayor for eight years.

Mrs. Arthur Morin presented a lovely bouquet of red roses to Mrs. St. Martin. Mr. and Mrs. St. Martin both replied with well chosen words. We hope your retired years will be filled with health and happiness.

Some 40 friends and relatives gathered at the home of Mr. and Mrs. Joe Nault to surprise them with a housewarming party. The couple

were presented with two beautiful ceramic vases, a bouquet of flowers and a purse on behalf of everyone present. Joe and Germaine both thanked everyone for coming and the organizers for the wonderful surprise.

Keep November 15 open to attend the official opening of the new school addition. The ceremonies will begin at 8 p.m.

Bingo! Bingo! commencing November 10 at the community hall. These bingo's and jackpot will continue every Sunday.

Mr. and Mrs. Bob Pelletier are receiving congratulations upon the arrival of their first born, a bouncing baby boy, Martin Raymond, born on October 21, weighing 7 lbs. 10 1/2 ozs. The happy godparents are Sharon Campbell and Raymond Pelletier.

All the clubs and/or individuals who wish to book the Recreation Centre in the near future are requested to contact the Secretary, Mr. Jules Larose, in advance, advising of the required dates and times. Several activities have been planned for the winter and we wish to avoid any conflicts or disappointments.

A caretaker is required for the arena and interested persons should apply in writing to the Secretary, Box 178.

Legal Students Awards

THE JOANNE KEANE MEMORIAL AWARD

for highest achievement in Grade 10, presented by Mr. and Mrs. Allan Keane: awarded to Claudette Landry.

CATHOLIC WOMEN'S LEAGUE AWARDS for highest achievement in Grades 10 and 11, presented

No one turns up at appeal hearing

An MD of Surgeon hearing about a proposed industrial park took an unusual turn October 25. No one turned up at the hearing.

Re-elected Reeve of the MD Bill Flynn glanced at his watch at 7:10 p.m. and said, "Gentlemen, we have a rather unique situation. We have a hearing and there is no one here." The gentleman he was referring to were two members of the press, six councillors and Mr. N. S. Troutie for WWW Developments Limited. The meeting began at 7 p.m. Mr. Flynn said: "We'll sit here for half an hour and if no one comes we won't be able to do anything about the hearing."

The area set aside for the proposed industrial park is to be zoned light industrial and is located in the southeast portion of the MD on Sections 17, 18, 19 and 20. Council will deal with the bylaw to rezone the land at its regular development meeting October 31.

From what could be gleaned about the proposed park it will be ready to go in the

spring once the go-ahead is given. Since the area is outside the Edmonton Regional Planning Commission boundaries the go-ahead hinges on approval from the MD council.

It is projected that the developer will look after water and sewer utilities in the park to take the strain off the MD. The park may also be serviced by a different form of sewer system, presently under study.

News of the proposed industrial park comes hard on the heels of the announcement of a \$1 1/2 million rapeseed plant for the MD. This is expected to be located between Gibbons and Fort Saskatchewan.

BILLBOARD

HOW TO BE SAFE AT HOME

Every year, about 25 million Americans are injured in their own homes! Many of these accidents might never have happened if a few do's and don'ts had been adhered to.

Do fasten any electric cords to the baseboards. Left loosely on the floor,

cords can cause falls; under rugs they can lead to fires. Don't put pressurized cans in the furnace or trash burner where they may easily blow up.

Do tack down any throw rugs that are not rubberized on the bottom, and keep a rubber mat in your tub or shower.

Don't keep medicines around too long, or keep prescription medicines after they're no longer needed. Keep all medicines away from small children and don't "prescribe" at home, giving one person's pills to another who shows similar symptoms.

Do keep some salt, baking soda or a foam fire extinguisher in the kitchen in case grease or fat in a pan catches fire. Water will only make things worse.

Don't walk on bare floors

with stocking feet, and don't wear smooth-bottomed slippers unless all your floors are carpeted.

Do rid the house, attic, and garage of piles of old newspapers, magazines, rags, mattresses, and clothing, which could cause a fire.

Don't let your heating unit go more than a year without being checked and fixed if necessary. At least one fire out of every 10 begins in a defective heater.

Do get quality utility tools such as those marketed and guaranteed by the Ritco division of The Ridge Tool Company. They are not likely to slip from your grip.

Don't let stairways stay in the shadows. Light them from top to bottom and provide a continuous hand-rail. If your stairway is 44 inches or more wide, there should be a railing on both

sides. Keep storage items off attic and basement stairs and paint the tap and bottom steps white for better visibility.

Do remember these safety suggestions and odds are you and your family won't be part of next year's accident statistics.

WHOLESALE CIG. PRICES

The family of Mr. and Mrs. Elphege Belanger arranged a gala celebration on August 17, when more than 500 friends and relatives gathered in Morinville to honour the couple on their 50th Wedding Anniversary.

Father Georges Primeau conducted Mass at 7:30 p.m. in St. Jean Baptiste Church when Elphege and Helenda renewed their wedding vows made originally in the same church on Nov. 26, 1924. Mrs. Belanger's brother, Edmond L'Abbe and his wife Stella accompanied the couple to the altar. Appropriate music was provided by Norman Chalfoux at the organ and soloist Karen West. At the conclusion of the warm and happy service, Father Primeau led a round of applause in which all present joined with enthusiasm.

Sharing the duties of master of ceremonies at the reception and dance which followed in the Morinville Recreation were grandson Paul Belanger and nephew Ron Gibson, who are also Godchildren of the honored couple. Grandchildren Richard Godreault and Claudette Letourneau, also Godchildren, represented the 18 grandchildren, all of whom were present, in making the presentation of a gift of gold goblets to the Belangers.

Mr. and Mrs. Belanger had 10 children, one of whom, daughter Stella, died at the age of two years. Present for the Golden Wedding were Gilbert, Marcel and his wife

Lea, from Plainville; Eldego, at home, Roland and his wife, Betty from Morinville; Theresa Letourneau and husband Laurier of Edmonton; Lorraine and Philip Godreault from Tanguent, Maurice and Sue of Morinville; Dennis and Dale Morinville. Daughter Gertrude and her husband Happy Welch from Grande Prairie were unable to be present.

The oldest son Gilbert presented his parents with a gift of money from all the family, and the couple are thinking of taking a trip.

Mrs. Belanger was one of a family of 11 and one brother passed away last year. Here five sisters, four from Vancouver and one from Edmonton were all present, as was a brother from Vancouver and one from McLellan. Unable to attend were two brothers, from Vancouver and Hay River. Mr. Belanger has only one sister living, Annie Canuel of Vernon, B.C. who was unable to come through illness, but most of her children attended.

Another very special guest was Mrs. Emma Belanger, 92, from Youville Home, who is a sister-in-law of Mr. Belanger.

Dancing, visiting and renewing acquaintances continued throughout the evening, which also included a delicious buffet supper, and everyone had a marvellous time. There were a great many out of town guests. On the day following an

Open House was held at the Belanger home, when about 70 people, including many of the out of town relatives enjoyed a further visit. The day held yet another surprise for the bride and groom of 50 years, when a friend of their son Dennis landed in a helicopter, and the couple had their first ride in one, with a fine chance to see their land and district from a different viewpoint.

Following their marriage

Highway 37A

Plans for reconstruction of Highway 37A east of Namsao to the Junction with Highway 37 south of Gibbons include reconstruction of the grade before paving.

It is planned that this work proceed in 1975, and the first stage will go totally on the existing alignment to the existing junction at Namsao corner. The Department of Highways will be fitting into that network.

The section of the road immediately west of Namsao corner to Highway 2 Junction

Elphege and Helenda moved in the house which was all ready for them on their farm west of Morinville and they are still farming there. Mr. Belanger combined his full and Mrs. Belanger still milks cows each morning - the best exercise for arthritis, she says.

Their many friends throughout the area join in wishing the Belangers many years of health and happiness.

tion is secondary in classification. The Hon. Clarence Copithorne has advised MLA Jamison that the construction will be to a standard suitable for the traffic which is projected for the route.

WHITEFACE SEZ

Things sure look tough. Seems this chap got a cheque as income tax refund on Monday with a note attached asking him to hold off cashing it until Thursday.
